

WEATHER OUTLOOK

Considerable sunshine and warm today with high in mid-80s. Chance of rain tonight, low 60 to 65. Cooler Friday with high 75 to 80. Mostly fair Saturday through Monday. Weekend high in the 70s and low in mid-50s.

City launches study of access road

First official action in four years toward development of an access road from the Nameoki-Pontoon area to downtown Granite City, designed to relieve traffic congestion in the Nameoki shopping area, was taken by the City Council Monday night.

Acting on a suggestion by Clyde Boyd, chairman of the council's Street and Alley committee, council members authorized Mayor Paul Schuler to arrange for a feasibility study of such a roadway.

Boyd told the council: "It seems as if everyone has come to life on this project. The city has been involved a long time in a proposal for a roadway that would run behind the Nameoki Village Shopping Center and the other stores in that area."

While no specific route was discussed by the aldermen, Boyd noted that in past years the city generally had considered a route from Pontoon Road, paralleling the railroad tracks to 22nd street where traffic would enter the downtown area.

Alderman Sam Whitmer asked if the project would be financed with motor fuel tax funds, noting that the city's MFT fund already is exhausted by commitments to other projects.

Both Boyd and Mayor Schuler said it was indefinite as to what financing procedure the city might follow in developing the project.

A proposal to build a street from the Nameoki-Pontoon roads area to downtown Granite City first developed by the city

in 1965 and proceeded to the point of acquisition of right-of-way along the railroad tracks covering much of the route to 22nd street. The city now has much of the right-of-way and easements that would be needed.

The Quad-City area prayer breakfast group last week offered strong backing to such a project to help ease traffic congestion in the vicinity of the Cross Roads, Nameoki Village, American Village and Bellemore Village shopping centers, all of which face Nameoki Road in the area north of Fehling Road.

Traffic congestion in the Nameoki shopping area has caused growing concern in recent months because of the opening of businesses such as K-Mart, Schuck's Market and others which generate a large volume of vehicular traffic.

Although the Nameoki-Fehling roads traffic lights are to be modernized with left-turn signals and signal lights are to be installed at Manley Avenue and at Lindell Boulevard, further traffic congestion is expected as the result of constant business growth within that area.

Alderman Roy Poulos commented that the Nameoki area traffic problem would be eased considerably "if we can go ahead on the Maryville job," a project that would extend Maryville Road to Highway 162 and provide a through route skirting the eastern edge of the city.

Boyd also told the council Monday's meeting that the city faces a critical problem in planning the repair of sewer breaks in the Nameoki area "because we are not in a (financial) position to pay anyone for repair work."

As a result, he said, it may be necessary to depend upon the city street department for repair of sewer breaks, a job that "undoubtedly would take about half of the street department personnel."

Mayor Schuler told the council that he has received word that the city will receive about \$7,000 as additional disaster relief money to apply toward repair work on sewers that broke since Jan. 1 this year.

Schuler said this will "give the city a real problem" because it will mean the loss of about \$1 million in regular city funds that were spent over and above the amount of disaster aid from the federal government.

ment to help repair sewers as the result of flood conditions in the spring of 1973.

Thus far the city has received about \$326,000 in disaster aid funds and has qualified for an additional \$226,000 for total aid of \$552,000. The additional \$57,000 promised by the state would give the city about \$717,000.

Sewer repair expenditures since July last year have totaled more than \$1.6 million.

opposition prompted the City Council Monday night to kill the project as proposed at Cottage and Nameoki Road.

Another site elsewhere would be acceptable, Cottage property owners said this week.

What bothers them is the increasing trend toward commercialization of Nameoki Road and, in particular, the after-dark ramifications of that street becoming a major business-retail-entertainment area.

Traffic congestion, noise, trash, crowds and other aspects of the relatively new "great white way" disturb many of those who live on Cottage and other residential streets intersecting Nameoki Road.

One resident said the activity is bearable during the day but is resented when it extends into the evening and late-night hours.

Another commented that "with taverns required to observe closing hours, restaurants are becoming the most popular place for teenagers and young adults to gather at night."

While there are many innocent aspects of young people conversing with each other, the net result is too much noise, litter and occasionally rowdiness and crime, it is contended.

Nameoki Road has never been fully zoned as a business district, even though this is by far the dominant use, with only one negative vote, authorized an agreement between the city and the

HELPING SAVE HIS RESTAURANT. John Svezia, manager, stood on top of Tony's Restaurant and directed a fire hose across the narrow space to the burning Jiffy Car Wash, 1506 Madison Ave., Tuesday morning. Svezia here holds up his left arm to protect his face from the heat of the fire. The restaurant was not damaged, but some food damage was feared due to the heat and loss of electricity for a period. (Press-Record Photo)

Fehling signals assured

A contract for enlargement of the intersection of Nameoki and Fehling-Johnson roads and installation of traffic signals with left-turn lights is expected to be awarded early next week on the basis of bids opened by the Illinois Department of Transportation Tuesday.

Lowest of two bids was submitted by the C. D. Peters Construction Co. of Granite City with an offer of \$137,345. The only other bid was submitted by the Redi-Cut-Stone, Inc. of Wood River which bid \$145,467.

Mayor Paul Schuler said that because the Peters bid was \$15,488 below the state estimate of \$152,834, he is certain a contract will be awarded within a matter of days.

The project is the last of the local TOPICS (Traffic Operations Program for Improvement of Capacity and Safety) projects approved for Granite City. The project will be funded 75 per cent by the federal government and 25 per cent by the city. The city recently completed improvement of four Madison Avenue intersections under the TOPICS program.

Work will include enlargement of the intersection of Nameoki Road at Fehling and Johnson Roads and installation of new traffic signals that will include left-turn lights. Johnson Road will be widened where it joins Nameoki Road to provide a right turn lane, a through lane and a left-turn lane.

Monroe Brewer, city engineer, said work on the project should begin soon after a contract is awarded because all preliminary work, including relocation of utilities, has been completed in anticipation of the work being done this year.

Where can teens go?

"If there were only more places teenagers could go at night."

Deeply concerned Cottage Avenue residents made it clear this week that they do not object to the concept of a Denny's Restaurant being opened in this community, even though their

Reject law on drive-in closing hour

An amendment to the Granite City Municipal Code that would have required drive-in restaurants to close at midnight on weekdays and at 1 a.m. on weekends was defeated by the City Council Monday night.

The proposed change in the ordinance controlling restaurant operations in the city was rejected by a vote of eight against to five in favor of the amendment after a delegation of restaurant owners told the aldermen that approval of the change would "punish us all for the actions of one."

Alderman Emerald Dawes of the Seventh Ward said the proposed amendment stemmed from repeated problems on the parking lot of a drive-in restaurant in his ward.

He said that despite promises of the operator, noise and disturbances at the drive-in have generated a large number of complaints by residents of the neighborhood and have given many problems to police.

The amendment stipulated that "no person licensed hereunder operating as a drive-in restaurant shall sell, or permit to be sold or give away any food product between the hours of 12:01 a.m. and 6 a.m. on Monday through Thursday or between the hours of 1:01 a.m. and 6 a.m. on Friday and Saturday."

(Continued on Page 4)

Truck route for 18th St.

Engineering work on plans for installation of traffic signals at 18th Street and Madison Avenue was authorized by the Granite City Council Monday night as a major step in developing a "truck route" that will take most heavy trucks off downtown streets.

On a motion by Alderman Clyde Boyd, chairman of the council's Street and Alley committee, the council, with only one negative vote, authorized an agreement between the city and the

Clean air crackdown

Escalating its efforts to achieve cleaner air, the state government Tuesday cracked down unexpectedly on Granite City Steel.

A temporary variance was allowed to expire, making the steel plant subject potentially to a fine of \$10,000 plus \$1,000 more per day for each day a violation might occur.

The surprise nature of the decision was that it was by the Illinois Pollution Control Board. The steel firm, a division of National Steel Corp., had been required to report primarily to the Illinois Environmental Protection Agency.

Saying it had not been given as much data by the firm as was provided to the EPA, the IPCB charged the Granite City Steel has abused its "leniency" regarding lack of compliance with state air purity regulations.

The center of attention is the coke oven process, for which technology remains to be perfected to end emissions.

Before the penalty could be imposed, formal enforcement action would have to be initiated by the EPA, attorney general, state's attorney or the public.

The following statement was issued Tuesday by Donald F. Cairns, vice president of Granite City Steel:

(Continued on page 5)

Signs late—be careful!

Delay in posting "No Parking" signs along Madison Avenue at four newly modernized intersections between 20th Street and 27th Street has created a traffic hazard for motorists attempting to follow white lane markings, it became apparent this week.

The problem results from continued parking of cars along the curb on Madison Avenue on either side of the intersections at 20th street, Niedringhaus Avenue, 23rd Street and 27th Street, while newly painted lane markings providing two lanes of traffic extend within only a few feet of the curb.

Motorists following the lane markings of the inside lane are unable to continue in that lane

What's new? Oh, just a flying saucer

By KEN THOMPSON
Press-Record Staff Writer

"My pet project" now is a flying saucer car."

"Sometimes I wake up in the middle of the night with a new idea. So, I jot it down, go back to sleep and the next day I put my notes into sketches and then into reality," said Dennis Lacandro of Granite City.

Considered one of the foremost custom auto designers and painters in the nation today, he virtually has a monopoly on the Midwest market.

For a man who in 1958 would chop and cut on automobiles but could not put them back together again, he now designs, builds and paints cars for customers and auto shows.

He has custom painted automobiles for such movie stars as Clint Eastwood, Sammy Davis Jr., Lucille Ball, Frank and Nancy Sinatra and many more.

"The ones I am most proud of," he recalls, "are the special limousine we built for a movie studio that was filming a special

A report that two women with a pistol were seen holding a man hostage in a car began a massive police search which ended in Granite City at 1 p.m. Tuesday as a supervisory family was stopped and police found a long-haired boy with a plastic toy gun.

The search began at 12:30 p.m. Tuesday when a tractor-trailer truck driver noticed a man and what he thought was a man being held hostage in a car heading into Illinois on the Poplar Street Bridge.

The truck driver used his citizen's band radio and gave the information to a base station operator who called District 11 of the Illinois State Police at Maryville.

State police broadcast a description of the car to all local police departments. Search activities in the Quad-Cities intensified after a second report from the truck driver that the car may have taken a Granite City exit from the highway, either on Route 203 or Route 111.

Granite City, Madison, Venice, Pontoon Beach, Madison County and state police watched all main roads in the Quad-Cities for the vehicle until Granite City police reported they had located the car and were stopping it.

Officers listened intently to their police radios for more than a minute before hearing the return report, "It's only a man and wife and a kid with long hair and a toy gun."

GENUINE FLYING SAUCER (except that it doesn't fly). Granite Cityan Dennis Lacandro is here to install exterior lights, which will blink alternately to give the vehicle a rotating appearance. He was working yesterday on the lights of the rear-engine show car, preparatory to putting finishing touches on the "saucer." Lacandro is the designer of the unique vehicle.

ENGAGED. Miss Sharon Westbrook whose parents, Mr. and Mrs. Charles Westbrook, 2553 Morrison Road, are announcing her engagement to Kevin Duke. A January wedding is planned.

Duke-Wesbrook betrothal told

The engagement and forthcoming marriage plans of Miss Sharon Westbrook and Kevin Duke are being announced by the bride-elect's parents, Mr. and Mrs. Charles Westbrook, 2553 Morrison Road. A January 18 wedding is planned by the engaged couple.

Miss Westbrook, a graduate of Granite City High School North is now attending Belleville Area College. Her fiancé is the son of Mr. and Mrs. Bill Duke, 2748 Myrtle Ave. He graduated in 1972 from Granite City High School and is employed at Union Electric Co., St. Louis, and is attending night classes at Belleville College.

Auxiliary seeks booth items

Mrs. Dolores Weiss, president of the American Legion Auxiliary, Tri-City Unit 113, led a discussion on the Charity Days project to be held during the weekend at Naneos Village Shopping Center, during a meeting conducted last week.

Mrs. Mildred Rives, chairman of the project, said she still needed handicraft items, baked goods or white elephant gifts for the booth.

Veteran craft chairman, Mrs. Alma Klaus, will display many articles made by hospitalized veterans, with the proceeds to go to the Craft Shop for Veterans to use as Christmas money.

Members agreed to donate to the United Fund and also to purchase new tables for the Senior Citizen new central location.

A new American flag, pole and pole top were purchased and donated to the Sons of the Legion, Squadron 113.

Child welfare chairman, Mrs. Nellie Hillmer, reported she had sent a gift and birthday card to one of the boys at Bennett Cottage in Normal, Ill., at the Illinois Soldiers, Sailors School for Children.

The remainder of the evening was spent in games, with prizes going to Janet Walorowski, Alma Klaus, Bonnie Jacob, Dolores Weiss, Deanie Bryson, Donna Tanner and Nellie Hillmer.

The next meeting will be held Sept. 25 at the Legion Home, 1825 State St.

STEAL GOLF CLUBS
Golf clubs, bag and cart, all worth \$166, were stolen from the car of Paul Prater, 2133 Waterman Ave., parked at his home, the victim reported Monday.

NEWLYWEDS. Air Force Sergeant and Mrs. Edward P. Smith who were married in an early afternoon ceremony at Niedringhaus United Methodist Church. The bride is the former Miss Margaret JoAnn Humphreys, a daughter of Mr. and Mrs. Robert O. Humphreys Jr., Rural Route One, Granite City.

St. Peter's Guild convenes

Autumn floral arrangements decorated the dining tables and a bouquet of gladioli and mums centered the buffet table for a pot luck supper held in the fellowship hall of St. Peter Evangelical United Church of Christ for the Evening Guild meeting.

Hostesses for the evening were Mesdames Mildred Fehling, Helen Kettelhut and Thelma Markgraf.

President Mrs. Ruth Ann Bartels conducted the business meeting and explained the Fellowship of the Least Coin. Members agreed to participate in the Least Coin project sponsored by the Church Women Union.

Church Women Union representative Mrs. Bea Rittenhouse announced The Community Closet is in need of clothing and the volunteers are needed for the Friends In Learning program.

Mrs. Kettelhut conducted a memorial service for the late Clara Hoelscher, a charter member who died in July.

Yearly program books were distributed to the members with the theme for the year to be "We-Strangers No Longer."

Games were directed by Mrs. Helen Todd after the meeting and prizes were awarded to Mesdames Frieda Bennington, Anna Seechting and Myrtle Seechting.

Twenty members and three guests, Margie Bishop, Joy Causey and Ann Scott, were present.

The next meeting will be at 7:30 p.m. on Oct. 7 with St. John's Evening Guild as special guests.

Margaret Humphreys weds Sgt. Edward P. Smith

Miss Margaret JoAnn Humphreys and Air Force Sergeant Edward P. Smith exchanged wedding vows in a candlelight setting on Aug. 24 at Niedringhaus United Methodist Church.

Parents of the couple are Mr. and Mrs. Robert O. Humphreys Jr., Rural Route One, Granite City, and Mr. and Mrs. Charles Smith, 810 Main St., Genoa, Ohio.

Nuptial selections "For All We Know," "One Hand, One Heart," "Wedding Song" and "Only a Rose," were played by Miss Lisa Groothuis, organist. Soloist was Miss Deanna Blaylock.

The Rev. Roy Baugh officiated at the double-ring ceremony at 2 o'clock in the afternoon.

For her wedding, the bride chose a white nylon dotted Swiss gown accented with Chantilly lace over slipper satin. A tiny blue ribbon enhanced the bodice, Empire waistline and flared cuffs on the long full sleeves.

Her A-line skirt was edged with a ruffle and formed a chapel train.

She wore a Chantilly lace crown headpiece, etched with pearls to secure a cathedral veil of silk net bordered with Alencon lace and carried a satin covered Bible topped with a white orchid.

Maid of honor, Miss Mary Humphreys, a sister of the bride, selected a yellow dotted Swiss full-length dress, fashioned with a scoop neckline, short puffed sleeves and modified Empire bodice marked with a white lace trim.

The A-line skirt featured a flounced hemline edged in matching lace.

The bridesmaids, Misses Cheryl A. Humphreys, a cousin of the bride, Joan L. Young, and

Fair Oaks Garden club installs

The Fair Oaks Garden Club, junior division, elected Kim Blankenship as treasurer to fill a vacancy created by resignation, and then installed all new officers for the 1974-75 season.

The club, meeting in the home of Mrs. E. H. Theis, installed Peggy Smolich as president, Susan Sigtle as vice-president, Mary Lou Metcalf as secretary and Kim Blankenship as treasurer. Pat Blankenship was installing officer.

Plans were discussed for an Oct. 12 bake sale and for planting bulbs this fall. The Sunshine Committee reported it had sent a get-well card to Mrs. C. E. Eady.

Others present were Jennifer Herman and Terri Kaye Theis. The next meeting will be hosted by Terri Kaye Theis, 2200 Bern Ave.

Auto body shop burglarized

Ask Your Preacher

ANSWER: To dip, to plunge, or to immerse.

For a question, comment or Free home study course, write to:

JAMES E. JONES, Minister
CLARK AVE.
CHURCH OF CHRIST
2130 Clark Ave., P.O. Box 246
Granite City, Ill. 62040

A \$313 radio-tape player combination was stolen from the auto of Norvell Smith, 1014 College St., Venice, in the garage of Superior Auto Body, 1431 Iowa St. It was reported Monday.

A hole was kicked in a wooden panel in an overhead door and entry was gained after reaching through the hole and unlocking the door.

A portion of the auto's dash was removed and all wires to the unit were disconnected before it was removed.

The office in the auto body shop also was entered and it was believed unsuccessful attempts were made to open the locked filing cabinet.

CIVIC PRIDE CAMPAIGN will be launched soon in the City of Venice. A preview of things to come are signs which will be placed at strategic locations with slogans such as "The image of this city begins with you," being held on the left by William E. Griggs, a city building inspector, and Mayor William "Mike" Ebersoldt, right, holding a sign reading "Venice—a small city but big hearted people."

Civic pride campaign to start in Venice

A "Civic Pride" campaign soon will be launched in the City of Venice. It was announced by William "Mike" Ebersoldt Tuesday evening at the Venice City Council meeting.

"We have a lot of good people in Venice with more to come and we want all the citizens of Venice to take pride in their city," Mayor Ebersoldt said.

One of the first things the city will do is to put up signs such as "Venice is a small city, but big hearted people," and "The image of the city begins with you."

The sign idea came from William E. Griggs, city building inspector, who got the idea from another city while attending a church function.

Some of the signs are designed to bring a smile on an outsider's face as they drive through Venice.

On the Missouri and Illinois sides of the bridge will be a sign reading "Don't cross the bridge before you get to it. We need the money," and "Drive slow or you'll miss our city."

"We want to make our city as attractive as possible, and keep everything as neat and clean as we can. The people of Venice have many things to be proud of," Ebersoldt added.

The council passed a resolution recommending that the city request a grant from the Illinois Law Enforcement Commission for a joint detective team with the City of Madison. The grant, if approved by the commission, would provide \$40,000 for a detective team of two men and equipment to work together in both Madison and Venice over a three-year period.

A resolution concerning the Metropolitan Enforcement Group (MEG) request that Madison County form a special undercover anti-crime unit was tabled until the next council meeting.

Civil Defense Director Benjamin Honorable made a brief report on the cost of the city's defense.

Some aldermen opposed the amendment on grounds that the city should have other ways of policing businesses.

Alderman Clyde Boyd said, "I can't see why we can't regulate one business that is giving us a problem." He asked City Attorney George Filcoff if there is some way the city could handle the matter.

Filcoff replied that a place of business could be closed by revocation of its business license.

"The mayor issued the license and he can revoke it," Filcoff said.

Council members suggested after a roll call vote defeated the amendment that the mayor revoke the license of the drive-in restaurant which allegedly has created problems leading to introduction of the code amendment.

Mayor Paul Schuler said he will meet with Filcoff on the matter and will act after a discussion of the legal aspect of the case.

Richard Ervay, operator of Dog N' Donuts, representing the Granite City Restaurant Owners Association, told the council he does not believe his restaurant and others should be punished because of problems at one place.

Actually, he said, the closing hour amendment would not directly affect his business because it closes at 11 p.m.

But, he said, "This establishes a precedent whereby the city later could decide to set an even earlier closing."

He said the restaurant owners, several of whom accompanied Ervay to the council session, "consider this (amendment) in bad taste, bad judgment and a restraint of trade."

Aldermen supporting the amendment said that the change would affect only the drive-in at which problems have been occurring.

Aldermen voting against the amendment were Walter Norin, Steve Basarich, Boyd, William Dallas, R. E. Robertson, Roy Poulos, Claude Green and Everett Morien. Voting in favor were Daves, Ronald Coleman, Gerald F. Farley, Frank Greenwald and Sam Whitmer.

Signs late

(Continued from page 1)

parking areas have not yet been posted," Brewer said. "We have been waiting until the striping work was done on the streets. It's a temporary thing and we hope to get the areas posted soon."

Under no-parking regulations passed by state and federal highway officials before grants were authorized for the modernization of the interstates, no parking will be permitted on either side of Madison Avenue between 19th and 24th streets, and within 200 feet of the intersection of Madison Avenue and 27th Street, Brewer said.

On all side streets at all four intersections, parking is not permitted within 300 feet of Madison Avenue, he noted.

Brewer said that his office has been receiving complaints from business firms that will be affected by the no-parking regulations. However, he said present city ordinances require businesses to provide off-street parking.

Reject

What's new
(Continued from page 1)

of the day President Kennedy was shot.

"And the six futuristic bubble cars for Woody Allen's movie, 'The Sleeper'."

The 34-year-old Lacandro began his rise to customizing fame in 1956 while still in high school.

"I attended the Rankin Trade School in St. Louis to learn how to paint work with various types of metal."

"After graduating, I worked at several auto body shops in this area before I decided to open my own shop, first in Edwardsville and then in Granite City."

His big break came in 1970 when he received a telephone call from George Barris of California. Barris Customizing is the designer of such far-out transportation vehicles as the Batmobile and Bob Hope's golf cart.

"He (Barris) had seen some of my autos at the St. Louis Auto Show and offered me a job with his firm."

"Two months later," said Lacandro, "I was the company's head painter."

In 1973 he and his wife, Pat, and their two daughters returned to Granite City to further utilize his training.

"I learned a lot in California about different types of paint and designs," added Lacandro. "Some of the things we can do here have never even been thought of before in the Midwest."

"They've been doing them out on the coast for years, but because of high costs and lack of an experienced person to apply the paint, they've just been overlooked in this area."

Lacandro can use a type of pearl paint which runs as high as \$35 for half an ounce. The paint changes colors and he also uses a type of "rainbow" paint which will turn ten different colors when sunlight is applied.

Special customized autos with original Dennis Lacandro murals can sell for as high as a price as \$20,000.

"I entered seven cars in an auto show," he said, "and all won first-place in their category."

He conceived the space car idea "when people began reporting flying saucers in the sky."

"We started with half-inch conduits to form the shape of the body. We put wood on top of that, something like masonite, and screwed that onto the conduits. Then we placed fiberglass cloth over that."

The vehicle is saucer shaped in the back and tapers down at the sides. It has a rubber skirt around it to give the appearance that it is floating on air.

The six-foot-long front comes to a wedge, has louvers in the hood, and 25 lights which blink alternately. The lights surround the auto to make the saucer portion of the body look as if it is rotating at all times.

The top is an eight-window plexiglass, dome-shaped bubble with a funny looking antenna sticking out of the top.

"The only thing I don't have," said the car's designer, "are little green men inside."

Lacandro will display the Volkswagen-powered vehicle Saturday, along with three other inventions of his, at Tri-City Speedway on Mammoth Road during the evening's auto racing program.

His hopes for the future, "I really hope to be in the business with something like a circus. Only with automobiles instead of animals."

The Lacandros reside at 3242 Kilarney Drive here.

Protest hiring procedure

Charges that an employee of the Illinois Work Incentive Program (WIN) in Granite City was hired because of political connections rather than through civil service qualification for the job have been filed by a group of employees at the WIN office here with the Illinois Department of Labor.

Individual complaints filed by 13 of the 28 employees in the WIN office are protesting the Sept. 3 employment of Michael Fears in what they allege was a circumvention of civil service procedures. Fears is a brother of Gary Fears of Edwardsville

who is office chief for community services in the Department of Local Government in Springfield.

The complaints charge Fears was placed in a Step 3, Grade 11 job, although he had not taken qualifying civil service examinations. Other employees had passed civil service exams and started at the lowest pay level of Grade 1. There is \$800 per month difference in the pay scales of the grades.

Officials of the American Federation of State, County and Municipal Employees (AF-SMCE) said other complaints

are expected to be filed soon alleging that, in other state departments, as Gov. Dan Walker has circumvented civil service procedures and placed patronage workers in state jobs above experienced employees who had qualified through civil service examinations.

The complaints will go to supervisory levels in the Department of Labor and are subject to review by Director Kenneth Holland. If the employees are not satisfied with the reply they may appeal to the director of personnel and ask for a hearing.

Births

Births recorded at St. Elizabeth Hospital.

GIRLS
Mr. and Mrs. Earl Holliday, 85 Holiday Park Homes, Sept. 16, Melissa Lynn, six pounds, 14 ounces.
Mr. and Mrs. Dennis Staveland, Rural Route One, Granite City, Sept. 16, Leslie Anne, nine pounds, 13 ounces.
Mr. and Mrs. Richard Bobb, 161 Briarwood Lane, Sept. 17, Amy Lynn, six pounds, 13 1/2 ounces.
Mr. and Mrs. John Kershaw, 1422 Iowa St., Sept. 19, Rebecca Marie, seven pounds, 15 ounces.

BOYS
Mr. and Mrs. Don Boyer, 1517 rear Fourth St., Sept. 16, Don Jefferson Jr., five pounds, 15 ounces.
Mr. and Mrs. David Meyer, Edwardsville, Sept. 16, Joseph David, seven pounds, four and a half ounces.
Mr. and Mrs. Jewell Loftin, 2118 Dewey Ave., Sept. 17, Timothy Allen, six pounds, eight ounces.
Mr. and Mrs. John Barach Jr., Wood River, Sept. 17, Steven Nicholas, seven pounds, four ounces.
Mr. and Mrs. Richard Bartling, 3806 Village Lane, Sept. 17, Cary Thomas, seven pounds, eight ounces.
Mr. and Mrs. George Lour, 2213 Terminal Ave., Sept. 17, Matthew Eugene, seven pounds, two ounces.
Mr. and Mrs. Fletcher Land, 1619 Third St., Sept. 18, Christopher Lee, nine pounds.
Mr. and Mrs. John Gresham Jr., 1628 Courtney Blvd., Sept. 18, six pounds, 12 ounces.
Mr. and Mrs. Edward Brown, 3248 Erin Drive, Sept. 18, Eric F., eight pounds, 13 ounces.
Mr. and Mrs. Edwin Bowen, 20 Parktowne West, Sept. 18, Vernon Eugene, seven pounds, three ounces.

2 drivers injured
Mrs. Pamela Greene, 22, of 3109 Kirkpatrick Homes, and Louis Martin, 38, of 228 Grand Ave., were injured when their cars collided at Nameoki Road and East 25th Street at 9 p.m. yesterday. Martin was taken with reckless driving.
Both drivers were charged by ambulance to St. Elizabeth Hospital where Mrs. Greene was admitted with injuries to her neck and lower back. Martin left the hospital before being examined.

Motorcyclist hurt
Daniel Knapp, 48, of 1612 Mitchell Ave., was injured when his southbound motorcycle and the northbound car of Juanita Long, 2922 Marshall Ave., collided at Nameoki Road and Washington Ave., at 6:40 a.m. yesterday. Juanita Long was charged with failure to yield the right-of-way while making a left turn.
Knapp was taken by ambulance to St. Elizabeth Hospital where he was admitted with a cut to his forehead and an injury to his left knee.

BURGLARY ON LINCOLN
About \$125 in cash and four fishing rods and reels were stolen from the home of William Bain, 2517 Lincoln Ave. It was reported at 6 p.m. yesterday. Bain said when he returned home, he found a basement window had been opened.

CASH STOLEN
Two stolen checks, made payable to the same woman, were cashed at First Granite City National Bank and later were found to have been stolen in separate burglaries. It was reported at 3 p.m. this week. The checks were for \$150 and \$65.

RECOVERING AT HOME
Ollie Stiegelmeier, 2517 Grand Ave., returned from the Jewish Hospital, St. Louis, Wednesday. He will recuperate at home following major surgery at the hospital.

\$500 damage in trailer fire

Heavy smoke and intense heat, but only minor damage was done at 10 a.m. today when a small trailer filled with RC-70 asphalt overheated and caught fire. The trailer was located behind the Phillips 66 Service Station, 4066 Pontoon Road. The service station is having some ground cleared behind it asphalted and the RC-70 material serves as a primer. Although the fire was confined inside the small trailer,

the intense heat melted a grill on a car parked near it. An estimate of damage has not been made, but the back side of the service station owned by John Guffey was discolored by the smoke. Damage to the trailer and asphalt was estimated at \$500.

Long Lake firemen, under the direction of Chief C. Arnold Rutherford controlled the fire in a short time.

Mrs. Julia Golob dies

Mrs. Julia Golob, 84, of 1616 Venice Ave., ill for 10 years, died at 6:45 a.m. today at the Colonial Haven Nursing Home.

She was born in Yugoslavia and resided in the Quad-Cities 11 years.

Mrs. Golob was a member of Her Lutheran Church.

Survivors include one daughter, Mrs. John (Betty) Goldschmidt of Granite City; three sons, Silvyn Golob of Mesa, Ariz., Martin Golob of Alton and Eugene Golob of Seattle, Wash.; 13 grandchildren and five great-grandchildren.

Funeral services are listed in the obituary column.

Richard L. Orr Jr., son of Colonel and Mrs. Richard L. Orr Sr., Granite City, has enlisted in the Delayed Enlistment Program (DEP) in the U.S. Air Force, pending regular enlistment in the active duty Air Force.

He has enlisted in the inactive reserves, according to Sergeant George Habbert, Air Force recruiter for the Granite City area. The time spent in the reserves by Richard Orr will count towards longevity pay in the active Air Force.

Mrs. local young is a 1972 graduate of Granite City High School. He has enlisted for the electronic career field and will receive technical training after a six week basic training course at Lackland Air Force Base near San Antonio, Tex.

PARENTS MEETING MONDAY EVENING
A meeting of the Concerned Parents and Citizens of Madison is scheduled for 7:30 p.m. Monday at Harris School, according to an announcement by the president, Mrs. Donna Thomas.

All parents are invited to attend the opening meeting of this year.

VACATIONISTS' RETURN FROM LAS VEGAS
Mr. and Mrs. Glen McVickers of Wapella, Mo., and Mrs. Joe Martynow, 1544 Fifth St., Madison, have returned home following a plane trip to Las Vegas for a week's visit. The foursome returned to Madison for several days, then departed for a week at the summer home of McVickers in Wapella.

Clean air

City Steel, in response to the order adopted by the Illinois Pollution Control Board, has a copy of the IPCB order and does not know what it says or on what basis they took the reported action.

"We have been working for over a year with the Environmental Protection Agency to resolve the question of how best to control coke pushing emissions. These meetings were in active progress as recently as last week."

"The Pollution Control Board action certainly comes as a surprise to us, as we understand it, to the EPA as well. At this point, we are requesting the board to send us a copy of its order."

In response to the reference to the Pollution Control Board not having been heard with many of the documents submitted at the hearing, the fact is that the board asked us to furnish them with any available transcripts of the hearing. That is all they asked for.

"The court reporter complied with this as soon as possible and sent the last available transcripts to the board on Aug. 5."

"In addition, the board's own hearing officer had access to the exhibits submitted at the hearing."

"Everything the Pollution Control Board asks for, we provided."

The board does not have a company in the entire state that is any more scrupulous than Granite City Steel about meeting its deadlines and obligations."

In 1972, the state and company settled a major pollution case, with the firm contributing \$500,000 to the University of Illinois to aid clean air research.

With some degree of air pollution continuing, the state has not acted on a January request for a one-year variance extension but has held hearings. Interim variance was granted, the last one ending Tuesday.

By a 4-1 vote, the IPCB now says it has not been given enough evidence to support any further variances.

Meanwhile, the Illinois EPA at an IPCB hearing in Chicago Monday asked that an East St. Louis air quality maintenance area be created, including Madison, St. Clair and Monroe Counties.

Such an area could result in a need to get an EPA permit to build any new facilities or homes.

BABY IS INJURED
Judy Meyers, 6 weeks old, was taken to St. Elizabeth Hospital at 9:35 p.m. yesterday by her mother, Mrs. Patricia Meyers, 1751 Chestnut St., following an auto accident. The baby was treated for a cut and bump to the left side of her forehead. X-rays to her skull, spine and chest were taken and she was admitted.

Clemency to evaders, deserters is outlined

President Gerald Ford this week asked a nine-member Clemency Review Board to suspend the sentences of those serving prison terms for evading the draft or desertion pending the President's conditional amnesty ruling Monday.

Ford's decision offers clemency to Vietnam War era violators in exchange for up to 24 months of alternate service in hospital work, or some other type of public-service-related activity, and a pledge of allegiance.

His decision to grant amnesty in the first such offer since the Korean War and the first major grant since World War II. Ford said his program would permit draft evaders and deserters to "earn their return to the mainstream of American society."

Some evaders and deserters are willing to accept the proposal but many say they remain overseas or in hiding. It was disclosed today that those willing to accept an undesirable discharge rather than a clemency discharge can avoid performing public work.

The White House provided the following directory of phone numbers and addresses for those seeking information about participating in the clemency program.

For military absentees, the following numbers were given:
Navy: 202-694-2007 or 202-694-1936
Marine Corps: 202-694-4626
Army: 317-342-3417
Air Force: 512-652-4104
Coast Guard: 202-652-1830

Military absentees who have no other charges pending against them also may seek instruction by writing to:
Army: U.S. Army Deserter Information Point, Ft. Benjamin Harrison, Ind. 46216.
Navy: Chief of Naval Personnel, pers 83, Department of the Navy, Washington, D.C. 20370.

Air Force: U.S. Air Force Deserter Information Point, (AFMCD-DPMAC) Randolph Air Force Base, Tex. 78148.
Marine Corps: Headquarters, U.S. Marine Corps (MC), Washington, D.C. 20380.

News Notes
William Cox, 61, serving a 15-month prison term on federal income tax and fraud convictions, will be freed next month, four months early, for good behavior.

A South St. Louis tavern owner was arrested Wednesday for allegedly buying 170 half-dollar Illinois lottery tickets and selling them to his customers, a law violation in Missouri.

A Madison County Circuit Court suit this week by Randy Seeger, 61, Alton, a private investigator, seeks \$100 actual damage and \$1,000 punitive damage from the Starlight Drive-In Theater. He contends that a film in July was publicized as a horror movie but was not frightening.

The public may attend a meeting at 7:30 tonight at the Mor Bowl at which Parents for Gifted Education will review "Educating the Talented—the Illinois Program."

A new anti-crime unit intended to fight drug traffic is being proposed by southwestern Illinois Law Enforcement Commission members. One officer of each police department in several counties would participate, and federal funds are to be sought.

RECOVERING AT HOME
Ollie Stiegelmeier, 2517 Grand Ave., returned from the Jewish Hospital, St. Louis, Wednesday. He will recuperate at home following major surgery at the hospital.

Dredging for nine-foot river channel outlined

The St. Louis District, U.S. Army Corps of Engineers yesterday issued a public notice delineating the scope of the dredging program designed to maintain the federally required nine-foot channel within the district's navigable waters.

The Corps is responding to new regulations calling for announcement of the proposed dredging program for the year.

In the St. Louis District, dredging historically has been required at 30 locations annually. The notice, issued by the Corps, lists these locations and requests comments and statements regarding the work.

If comments reveal sufficient cause, the Corps will conduct a public meeting to air the facts and to address any possible objections prior to proceeding. Results of the meeting, if required, will determine the course of action on future dredging operations.

The notice also points out that unless the shoals are attended, it could result in full or partial stoppage of waterborne commerce along the Mississippi River. Tonnage statistics indicate that in 1972, a total of 67,545,404 tons of waterborne commerce was recorded in the middle Mississippi River between the mouth of the Ohio River and the mouth of the Missouri River above St. Louis.

Petroleum products, coal, and grain were the principal commodities transported along this link of the 22,000-mile inland waterway. A channel nine feet in depth and 300 feet wide is required to be maintained by federal law.

The Corps has been active in channel maintenance on the river since 1930. Each year, an average of 4½ million cubic yards are removed from the channel area and piped 300 to 3,000 feet for open water disposal.

Recently, some objections to open water disposal have been expressed, and the Corps, in conjunction with the Environmental Protection Agency, is seeking environmentally acceptable disposal sites along the shores to place the dredged materials.

Some of these, and areas selected in the future, could eventually be used for recreation sites or wildlife habitats, or the materials could be utilized for construction work, a spokesman said.

These selected sites had not been previously designated as dredge disposal areas, as is now required by Section Four of Public Law 92-500.

The district is seeking commentary from interested organizations, agencies or individuals on the dredging program.

TO MARRY, Miss Linda K. Baumann and Cadet Stanley R. Stajduhar whose engagement is being announced by the bride-elect's parents, Mr. and Mrs. Robert E. Baumann, 3444 Lydia Lane. Wedding plans are set for June 1976.

Linda Baumann is bride-elect

Mr. and Mrs. Robert E. Baumann, 3444 Lydia Lane, are announcing the engagement of their daughter, Miss Linda K. Baumann, and Cadet Stanley R. Stajduhar.

where she is majoring in mathematics.

Her fiancé is the son of Mr. and Mrs. Joseph Stajduhar, 3018 Nameoki Road. He is now in his third year at West Point Military Academy.

The engaged couple are planning on being married in June 1976 following their graduations.

Linda Stout teaching in Germany for year

Three educators from this region have received Fulbright-Hays awards for the 1974-75 academic year from the Board of Foreign Scholarships of the U.S. Department of State, including a teacher award to Linda S. Stout, 2821 East 25th St., Granite City, an English teacher at West Junior High School in Alton.

Fulbright-Hays awards are granted under the Mutual Educational and Cultural Exchange Act of 1961. The Board of Foreign Scholarships, made up of prominent American citizens appointed by the President, supervises the exchange program administered by the department's Bureau of Educational and Cultural Affairs and approves selection of candidates for the academic awards.

This year, 806 winners were selected in the annual nationwide competition. They have earned awards to study, teach, conduct research and lecture in 78 countries overseas.

Miss Stout has begun a year of teaching junior high school students in a community school near Ebbergen, Germany. A graduate of Washington University, she has been teaching in the Alton school system the past three years.

Fulbright-Hays awards are funded by annual appropriations of Congress, with some financial contributions by 22 of the countries with which the U.S. has educational agreements.

Since the program began with the original Fulbright Act of 1946, more than 110,000 U.S. and foreign participants have been awarded grants to study, teach, do research and lecture here and abroad.

Both are 1972 graduates of Granite City High School. Miss Baumann is a junior student at Eastern Illinois University

where she is majoring in mathematics.

Charge two after crash

Two young men were charged with possession of cannabis after their northbound auto struck a utility pole at the curve in the 1500 block of State Street at 2 a.m. today, knocking the pole over and causing extensive damage to the car.

Arrested were the driver, Daniel Deltantz, 19, of 4100 Division St., charged with careless driving and possession of cannabis, and a passenger, Mark Whitworth, 20, of 3222 Wilshire Drive, charged with possession of cannabis.

Both were injured but declined medical attention until 9 a.m. today, when they requested police to take them to St. Elizabeth Hospital.

Police reported when they arrived at the accident scene, they found a paper bag on the ground near the auto with blood on the bag. It contained what they believe was marijuana.

To raise prices on tin products

National Steel Corp. announced yesterday that it is raising prices on tin mill products by an average of less than 2.25 per cent over the generally prevailing domestic prices, effective with shipments 12:01 a.m. Oct. 21.

This increase is necessitated by drastic increases in costs for basic raw materials such as ore, coal and coke, and increased transportation and other costs, officials said.

89 summer leaders honored at dinner

A recognition dinner was held Tuesday for the adults and teenagers who volunteered their services for the summer 4-H youth program, a part of the Expanded Food and Nutrition Education Program in the Quad-City area.

The dinner and program were held at the First Presbyterian Church in Madison. A report of the summer activities was given by Mrs. Lenora Brown.

Sixteen leaders performed a play entitled, "Volunteers are Very Special People," and presentation of awards concluded the evening.

The 75 teen leaders and 14

Four-H leaders were recognized.

The 4-H leaders receiving certificates were: Mrs. Susie Blackwell, Mrs. Barbara Smith, and Mrs. Irene Simons, Granite City; Mrs. Joyce Crawford, Mrs. Lorraine Horton and Mrs. Robbie Ann Silas, Venice; and Mrs. Mary Mallot, Mrs. Mattie Spearman, George Gruenfelder, Mrs. Eva Davenport, Mrs. Jewell Young, Mrs. Ada Walker, Mrs. Shirley Kemp and Miss Marvett Lowry, Madison.

The University of Illinois Cooperative Extension Service sponsors this youth and adult education program.

THE Pennyrich BRA

... like no other

"Try before you buy"

Tired of Padded or Contoured Bras? Shoulder Strap Strain? Midriff Bulge?

It is a patented miracle bra that works by supporting and firming you as you wear it day by day.

By SUSPENSION that distributes the weight from one end of the bra to the other so there is no weight.

By THRUST that causes flesh to come forward and up.

By GRAVITY that takes the flesh and pulls, tugs and positions that flesh into a full beautiful bust that is normal and proportioned to the rest of the body.

There is a new addition to the line of Pennyrich Bras; the Pennyrich V-bra. It has all the advantages of the original Pennyrich Bra, plus it has a deep V-cut front.

And for those who prefer longline bras; you, too can have the comfort with the Pennyrich longline bra.

We also carry a complete line of the Pennyrich Girdles and

DOWNTOWN GRANITE

No comments voiced on GC school budget, levy

The Granite City Board of Education Tuesday night adopted a \$21,689,810 budget which is higher than the budget for the past fiscal year but which should allow school taxes to be decreased about 4 to 5 cents per \$100 assessed valuation.

Also adopted was a tax levy of \$8.168,475, down from the year-ago levy's \$8,208,043 extension.

The new budget is \$2,082,327 or 9.9 per cent higher than the 1973-74 budget.

The increase is expected to be more than offset by a higher anticipated assessed valuation in the school district and increased funding from federal and state sources and other income areas.

A public hearing on the budget was held during a Board of Education meeting Tuesday night, but no one spoke for or against the document.

George E. Moore Sr., board secretary, then Mrs. Murphy (Ann) Hadley, both of Granite City, and Mrs. James (Pauline)

other sources totaling \$11,349,457 for aggregate revenue of \$19,518,912. The difference of \$2,170,878 is expected to be covered by carryover funds and an anticipated early tax collection next year.

Superintendent of Schools B. J. Davis has predicted that the district will not have to borrow in this fiscal year and that the picture also is optimistic in future years.

School officials foresee a school tax rate of \$3.7492 per \$100 assessed valuation to help support the new budget, compared to the actual 1973 rate of \$3.79.

The 1974 levies and the rate estimates are:

Education, \$5,559,000 and \$2.55 rate.

Operations, building and maintenance fund, \$817,500 and a rate of 37.5 cents.

Illinois Municipal Retirement Fund, \$317,700 and \$261,600 and a rate of 12 cents.

Community college fund — \$43,600 and a two-cent rate.

And the bond and interest fund, \$970,073 and a 44.68-cent rate.

CROUCHING FOR SAFETY. Granite City firemen direct a stream of water on the burning Jiffy Car Wash, 1506 Madison Ave., Tuesday morning. The firemen were attempting to protect themselves from overhead power lines which fell a short time later, and from the intense heat of the blaze. The building was destroyed.

Mrs. Christopher, 84, dies

Mrs. Ethel (Culwell) Christopher, 84, of 3121 Jiffy Ave., ill for three years and a patient at Pleasant Rest Nursing Home, Collinsville, for three years, died there at 5:05 p.m. Tuesday.

She was born in Flat River, Mo., and resided in Granite City 15 years. Mrs. Christopher was a member of the Baptist faith.

Her husband, William Christopher, died in 1951. Surviving are three daughters, Mrs. Austin (Mary) Hooper and Mrs. Murphy (Ann) Hadley, both of Granite City, and Mrs. James (Pauline)

Lindsay of St. Louis; three sons, Leo Willis Pratt of St. Louis, William Christopher of Indianapolis, Ind., and Thomas Christopher of Granite City; 21 grandchildren, 22 great-grandchildren and eight great-great-grandchildren. Funeral arrangements are given in the obituary column.

OVERCOME BY SMOKE at Tuesday's fire. Pipeman Mike Nesbit kneels to allow his head to clear. Nesbit later took oxygen and recovered without medical attention.

Fire destroys former Jiffy Wash building

Fire Tuesday morning destroyed the former Jiffy Car Wash, 1506 Madison Ave., but was stopped before damaging Tony's Restaurant only a few feet away.

The first fire alarm was received at 10:55 a.m. Tuesday. Firemen were on the scene three hours. The cause of the blaze is not known.

Granite City fire trucks from the main station, the Nameoki Road station and the West Granite City station responded to the blaze, which had caused extensive damage by the time firemen arrived.

The building had been vacant for some time. It had been purchased by National Steel Corp. and plans were to demolish it to provide additional truck driveway space and a parking area.

Dense clouds of black smoke billowed from the fire and the smoke could be seen throughout the Quad-City area. Oil which had saturated the floor from cars washed there in the 15 or more years the building had been used as a car wash, caused firemen problems.

Assistant Fire Chief Charles Hileman commented later the oil caused it to be "a very stubborn fire to fight."

A utility pole near the building burned nearly through and the heat caused several

power lines to fall around firemen. Fire also set a fire hose ablaze, causing it to rupture.

Several firemen reported inhaling too much smoke and becoming dizzy, but they were given oxygen and did not require hospital treatment.

John Svezia, manager of Tony's Restaurant, climbed on top of his building and manned a fire hose to protect the restaurant. After danger of the fire spreading had passed, Svezia served sandwiches to the firemen. He feared damage to food from the heat and from the electricity being off for a period.

During the peak of the fire, Madison firemen were called to assist and laid several hundred feet of fire hose from Madison fire hydrants down Madison Avenue to the blaze. They assisted about one hour. Madison policemen also assisted Granite City police in traffic and crowd control.

Traffic was rerouted around the fire for nearly three hours due to fire hoses on Madison Avenue.

No estimate of damage was made because the building was to be demolished. Illinois Power Co. estimated its loss at about \$4,000, having had three transformers and a utility pole destroyed.

Mexican fiesta Saturday

Independence Day Fiesta will be held by the Mexican Honorary Commission of Granite City, Saturday, at the Venice-Madison American Legion Hall, 700 Broadway in Venice.

The celebration will commemorate the Independence of Mexico from the French. The music for the program and dancing will be provided by Los Ruedas (The Wheels) of the Artega-Barbosa Commission of Fairmont City.

Refreshments, beverages, Mexican food and setups will be provided.

The Cinco De Mayo Fiesta held by the Commission last May, was the biggest and best ever, and the September Fiesta promises to be even better than the May Fiesta, committee members said.

Admission prices will be \$2.50 for adults, for advance tickets,

and \$2.75 at the door. Children's tickets will be \$1.50.

Advance tickets may be secured from President Steve Ortiz, 1741 Maple St., 877-4461; Bob Robles, 797-0866, vice-president; Ernie & Annie's Tavern, 935 Niedringhaus Ave.; Yonch's Tavern, Niedringhaus Avenue and Olive Street, Good Neighbor Tavern, 916 Niedringhaus Ave., all in Granite City.

The Venice-Madison American Legion Post 307 in Venice, has many members of the Commission also will have tickets for sale.

The program will begin with the National Anthem by Mary Scanlan; followed by "Guadalajara," danced by Becky Antoff, Jimmie Laird, Rhonda Sanders, Mike Mendoza, Ronnie Grim and Ronnie Rojas, with singers Angie Shuli and Scanlon.

Other musical numbers will include: "LaBamba," done by Laura Mendoza, Mike Niconowicz, Sherri Robles, Tony Becerra, Marion Valencia, David Bridick, Denise Reading, Sammy Mendoza, Robert Robles, Christine Niconowicz.

A skit will be performed by Norma Mendoza, Carmen Byrne, Connie Becerra, followed by the "Mexican Hat Dance" by Angela Ybarra. David Mendoza, Monica Grim and Ray Valencia.

Donald Valencia is the artistic group director, assisted by Monica Grim, Rose Grim, costumes, Mary Bridick, publicity, and music by Barry Barboza.

Dinner to honor Miss Hotz

The Edwardsville Business and Professional Women's Club will honor Miss Eulalia Hotz, a charter member, at a 7 p.m. dinner Sept. 24 at the Edwardsville American Legion Club. The public is invited. Price of the dinner is \$5 per person. Among prominent members of BPW who will pay tribute to

Miss Hotz is Jean McCarrey of Villa Grove, immediate past national president of the organization.

In addition to serving the club as president in 1936, Miss Hotz has been active for many years on the local and state levels in civic, humanitarian and

political affairs. She has served continuously since 1942 as Madison County clerk and is retiring this year. Reservations for the dinner may be secured by calling Mrs. Larry Zimmer, chairman of arrangements, at either 656-4066 (residence) or 656-1721 (office).

Events to mark Mexico Week

A feature of Mexico Week in St. Louis will be the Mariachi Michoacano from Mexico City. The group will appear at Kiel Auditorium Sunday evening. The program, which begins at 8 o'clock, will be the final event in the week-long celebration of Mexico's independence.

"Mariachi" is the name applied to a group of strolling musicians and singers who play typical Mexican music. Their principal instruments are trumpets, guitars and violins, which give mariachi music its characteristic sound.

The program at Kiel Auditorium also will include metropolitan area singers and dancers and the Ballet Expansor, a folk dance group from San Antonio, Tex.

The "Breath of Life" campaign for the National Cystic Fibrosis Research Foundation was enriched by \$40 during the weekend when volunteers from the Madison Fire Department and others took part in a road block established at Fifth and Madison avenue.

Mrs. Leonard (Brenda) Harper, chairman of the Madison campaign, was assisted by Winnie Sasyk, Maxine Costoff, Irene Lux, Delores Keller, Beverly Smith, Judy Donaldson, Bea O'Dell

and Mrs. Alice Worthen, Quad-City fire chairman. Madison firemen who collected donations at the blockade were Fire Chief Eldon Rhoads, Bob Papa, Danny Sipes, Robbie Bosworth, Otis Hollenbeck, Jim Shippeck and Robert Robbins.

During the cool morning, Madison Mayor Mike Sasyk served coffee to the workers. A similar road block is planned Friday by the Granite City Firemen.

GC girl enters state contest

Pamela Lea Rowden, 9-year-old daughter of Mr. and Mrs. Albert W. Rowden, 2233 Dawn Ave., will be among the contestants in the Little Miss Illinois Talent Contest at the Holiday Inn at LaSalle, Ill., scheduled Nov. 23.

The contest is open to girls between the ages of 5 and 12 years. Candidates will be judged on their artistic abilities, poise, personality and beauty. Each will perform a talent such as singing, dancing, vocal, baton, instrumental or variety.

The local girl will perform a gymnastics demonstration (floor exercises) as her talent

presentation. She won first place in the Granite City gymnastics program in July 1973 and has appeared in many solo exhibitions.

Marxville School pupil is a member of the GC Park District gymnastic program, Girl Scouts, Tri-Cities Area YMCA gymnastic team (Police B). She also is a student of tap and ballet dancing.

Applications still are being accepted to enter the Little Miss Illinois contest. Interested girls may obtain information by sending a self-addressed envelope to: Certification and Public Relations Office, Little Miss Talent Contest, P. O. Box 406, Rockton, Ill. 61072.

First fall meeting of Xi Epsilon Chi

Xi Epsilon Chi Chapter of Beta Sigma Phi Sorority held its first regular meeting of the year at the home of Mrs. Pat Winters

Past Chiefs plans fall rummage sale

The Past Chiefs Association of the Pythian Sisters opened their season with a luncheon meeting held in the home of Mrs. Netta Conary, 2521 Edison Ave., on Monday.

A dessert course was served by the hostess, followed by a business session opened by Mrs. Elva McKittin.

Plans were completed for a rummage sale on Friday, Oct. 18, and the birthday of Mrs. Nell Hutchinson was observed.

Those winning prizes in the games were Mrs. Olivia Lehman, Mrs. Hutchinson, Mrs. McKittin and Mrs. Lillian Chepley.

The next meeting will be held in the home of Mrs. Fern Johnson, 2038 Grand Ave.

on Riviera Drive. Linda Koenig, president, conducted the business meeting.

Due to the vice president taking a leave of absence, Jo Ann Kalert was elected to take her place and Marilyn Lumpkins was elected to serve as City Council delegate.

A convention to be held in Granite City in April was discussed and it was announced that committee meetings will be held this month to get the plans started. Thanks were received for a contribution to the floor that was in the Shriners' parade.

After the business session, a cultural program was given by Carol Cathey and Linda Koenig.

Mrs. Winters served dessert to those named and Mary Herman, Martha Dyer, Sally Stegelmeyer, Joann Macios, Jane Davis, Marilyn Harris, B. J. Johnson, Linda Johnson, Donna Lane and Barbara Painter.

The next meeting will be held in the home of Mrs. Herman on Zippel Avenue.

CARPENTERS HONORED. Members of Carpenters Local 633 of Granite City honored members with 35 years or more service during a party at the District Council Hall. Displaying the cake prepared for the

special event are, from left, William H. Thomas Sr., Charles A. Burk, N. C. Outland, Ed Hunt, Gerald Greider, George S. Wolfe and Dean Lee. All are retired carpenters.

GC school posts filled

A new teaching position was created and filled, two other teachers, five teacher aides and a secretary were hired and 11 persons were named to extra-curricular posts by the Granite City Board of Education Tuesday night.

The board was told that increased numbers of fifth and sixth-grade students at Stallings School have increased the sizes of classes to the 30s and 40s and one class has more than 50 students. The children also have a large variety of achievement levels and the shortage of teachers is creating difficulties in grouping the children by ability, it was explained.

The board voted to create a new fifth-grade teaching position for the school and named Mrs. Alice Murphy, 1412 Grand Ave., to fill the post.

Other new teachers employed were Mrs. Mary Jacobs, 3024 Ramona Drive, to teach half-day kindergarten classes at Niedringhaus School, and Mrs. Pamela Mathews, 2663 E. 23rd St., to teach half-day kindergarten at Johnson School.

The board also hired Mary Baker, 2540 Parkway, Apt. 2, as secretary to Dale C. Rea, assistant to the superintendent. Teacher aides hired were Lance Hamilos, 2651 Lincoln Ave., Deborah Hudson, 2832 Michigan Ave., Judith Mills, 2442 E. 25th St., Geraldine Werth, 2509 Hodges Ave., and Joan Roberts, 3216 Willow Ave.

Board Treasurer L. Monroe Worthen objected to administrative recommendations that two vocational education department heads, one for Granite City High School North and the other for GCHS South, be hired. Worthen said he felt the board should interview applicants for department head positions and requested interviews be conducted Tuesday evening, Sept. 24.

Extra-curricular assignments approved were: William Harris, head of school patrol at Emerson School; Robert McBride, head of school patrol at Marshall; Beverly Frazier, head of the South Pep Club; Barbara Leach, assistant cheerleading coach at South; Ruth Noth, head of girls' extracurricular sports at South for fall, winter and spring sports.

Also, Janet Rink, assistant cheerleader sponsor at North; Wanda Carroll, girls' extracurricular sports head for spring at North; Richard Logan, elementary sports at Emerson; Constance King, fall and winter girls' extracurricular sports at Prather; Al Lewis Jr., fall intramurals at Prather; Mike Edwards, eighth grade basketball coach at Prather; and Mike Edwards, eighth grade baseball coach at Prather.

The resignation of Sylvia Kluth, South speech and English teacher, was accepted with regrets.

Leaves of absence were granted to Deborah Plummer, Lake School special education teacher, and Nancy Rainer, middle intermediate teacher at Frohhard School.

GRANITE CITY PRESS-RECORD
Thurs., Sept. 19, 1974 Page 9

Informational meetings set

A new program to involve students, parents, interested citizens, teachers and administrators will be launched at Granite City High School North cafeteria beginning at 7:30 p.m. Tuesday.

The program is known as "Student-Citizen Rap Sessions" and will allow everyone interested in GCHS North to exchange ideas and hold open and frank discussions on matters relating to improving the school or solving problems that some may feel exist at North.

It is felt by the administrators of the new high school that communications between all parties concerned will do much to improve the overall functioning of the school programs.

DRIVES INTO ATTENDANT

A car containing two men and two women ran into Davis Elmore, 2571 E. 27th St., at the Clark service station, 20th Street and Madison Avenue, it was reported Tuesday night. Elmore, an attendant, said the men had been in the station earlier and tried to get him to fight them. They returned and purchased a package of cigarettes, after which the driver ran the car into him and left the scene. Elmore was not seriously injured.

Buy 14 drivers' ed cars

Big Four Chevrolet of Collinsville was selected by the Granite City Board of Education Tuesday night to supply 14 new cars for drivers' education to the Granite City high schools.

The board considered two proposals, one from Big Four and the other from Mathews Chevrolet of Granite City and found the two to be very close.

After discussion, the board voted to award the contract to Big Four on the basis of apparent low bid and the past performance. It was explained that Big Four supplied drivers' training cars the past two years, when no other dealer would bid.

The school will receive seven 1973 Chevrolets now and will trade them in for seven more new cars in the middle of the school year. The cars are free, but the district is responsible for the costs of installation and removal of dual driver controls and identification signs at \$53 per car, for body damage when the car is returned, and for routine maintenance.

The schools take care of minor maintenance, washing, but when extensive maintenance is necessary, Big Four will repair the cars for \$21 per hour plus the cost of parts.

The Mathews bid was \$64 per car to prepare it for drivers' training and to remove the dual controls and signs, but would not charge for body damage repairs. Maintenance schedules were nearly equivalent, it was noted.

School District Comptroller Victor Anderson told the board that special gasoline pumps are required for lead free gasoline and that the district does not have lead free gasoline at this time. "We did not expect the cars to be available immediately, but we will advertise for bids on lead free gasoline right away," Anderson said.

The board agreed to advertise for lead free gasoline in bulk, and to purchase from local service stations offering the lowest prices until the district can supply the gasoline.

Three bids were accepted to supply lumber for maintenance purposes. Contracts totaling \$3,796 were awarded to O'Neil Lumber Co. at \$1,074, Hill Behan Lumber Co. at \$1,688 and Great Central Lumber Co. at \$233. All were low bidders on separate lumber items.

A contract for \$620 was awarded to Audio Electronics to replace a preamplifier, an amplifier and a tape player stolen from the Granite City High School South cafeteria. That company was chosen since it installed the original public address system in the cafeteria.

The board voted to purchase several industrial arts supply items from three vendors on the basis of prices obtained in a telephone check of dealers. It was explained that no bids were received on the items when formerly advertised.

Industrial arts supply contracts were awarded to Graham's Business Products for six items costing \$323, Commercial Office Products for three items costing \$339, and Metal Goods Corp. for one item at \$187.

On a request from L. Monroe Worthen, board treasurer, Anderson agreed to try and obtain a tabulation of the telephone prices received for the industrial arts supplies and to present the tabulation to the board at its next meeting.

Joseph Fedora, director of athletics, said he had been informed by the manufacturer of Dudley Pitching Machine that several children in other school districts have been injured when struck by the pitching arms on the machines.

The firm offered cages to protect players from the pitching arms at a company cost of \$45 per cage plus shipping charges.

Fedora said the district uses three machines, one of which has been in service 10 years without

anyone having been injured, but he recommended that the safety devices be purchased. The board agreed to purchase three cages for \$135 plus the freight charges.

The board also authorized the purchase of 375 feet of scoreboard cable from Nevo Scoreboard Co. for \$281. Tully A. Heubner, director of buildings and grounds for the school district, reported there is a short somewhere in the underground cable to the GCHS scoreboard.

A \$417 expenditure to Hester Bradley Co. was authorized to purchase a new control panel to replace one which could not be repaired. The units monitor boilers in most schools.

Annual membership dues of

\$75 for the Chamber of Commerce of the Tri-Cities were authorized by the board.

Authorization was granted to Dale C. Rea, assistant to the superintendent, to file the district's annual impact aid claim with the state. It is not known the amount of reimbursement which will be approved by the state.

Bills ordered paid included \$68,779 from the educational fund, \$21,858 from the new construction fund for GCHS North, \$3,472 from the transportation fund, \$248 from the educational travel fund, \$1,399 for tuition reimbursements, \$810,569 from the bond and interest fund, \$44,772 from the building fund, \$1,993 from the joint agreement fund, and \$5,080 from federal funds.

Bi-partisan court selection is urged

"Bi-partisan representation in our Madison County Court system is vitally needed," Everett G. Steele, a Republican state representative nominee, said here Tuesday.

"The recent resignation of Associate Judge Harry Monch, to take effect Oct. 1, calls to public attention the fact," Steele said, "that if 16 judges in Madison County, only one is a Republican. Circuit Judge Harold Clark."

Steele continued, "I urge the circuit judges, who will make this appointment, to consider a Republican attorney for this court vacancy."

"At a time when the confidence of the people in our governmental institutions is

being tested, the court must maintain both the principle and the appearance of equality, impartiality and fairness."

Steele added, "As a candidate for state representative, I favor legislation which would require that a minimum number of judges be selected from the minority party in a judicial district."

"Public confidence in the integrity and impartiality of our court system is of paramount importance."

"This judgeship vacancy," Steele said, "offers an opportunity to strengthen the integrity and bi-partisan balance of our Madison County court system."

John Veizer, 65, dies

John Veizer, 65, of 1817 Pontoon Road, a resident of Granite City for 63 years, died at 4:45 a.m. Tuesday at St. Elizabeth Hospital.

He had been ill to years and hospitalized for more than three weeks.

Mr. Veizer retired in 1965 from General Steel Industries where he worked as a foreman 15 years. He was born in Piedmont, W. Va.

Survivors include his wife, Mrs. Juanita Veizer; one son, Keith Veizer of New Orleans, La.; two daughters, Mrs. John (Shirley) Goin of Champaign, Ill. and Mrs. Randy (Janice) Corey of Carbondale.

Two brothers Joseph Veizer

of Toledo, Ohio, and George Veizer of Granite City; four sisters, Mrs. Julius (Mary) Toth, Mrs. Betty Reynolds, Mrs. Anna Kristian and Mrs. Katherine Geisler, all of Granite City and four grandchildren. He was an uncle of Chief of Police Ronald Veizer.

Funeral services were held today. Details are given in the obituary column.

Fun club at Y

"Fun Club" program at the YMCA is planned Saturday morning from 9 a.m. to Noon, according to Harold Rudolph, executive director. "Every Saturday we will have lots of fun activities," he said.

Fun swims, gym games, BB gun range, "Y" Arcade games, and special day activities are among the programs that will be offered.

Boys and girls, ages 6-13, are encouraged to participate. Y members are admitted free and non-members can join for a \$1.

SEALY HOTEL LUXURY SLEEP SYSTEM

Better value in contract bedding with these quality benefits.

people think of comfortable firmness they first think of Sealy—makers of the famous Posturepedic mattress.

Unique "Sleep System" designs give exceptional durability, years of trouble free service.

The Hotel Luxury is specifically engineered for demanding commercial use. With patented torsion bar foundation system and offset coil interlocking unit—twice tempered for greater resilience—this sleep set protects your investment. It's built to last. Built to give your guests a good night's sleep.

Built for sitting as well as sleeping.

Sealy's exclusive combination of features is designed to withstand edge sag and eventual border breakdown. The torsion bar foundation has special corner platforms plus heavy-duty edge modules and border wire. In the mattress, coils are double tempered and framed with heavy border wire. Result: edge to edge firmness and comfort for your guests, better value for you. The comfort that's built in stays in with double insulation and luxury cushioning of white layer felt and high density Sealyfoam.

Your guests equate the Sealy name with quality. A quality bed is the mark of a quality accommodation. Continued exposure to Sealy advertising and word of mouth recommendation places the Sealy label in a class by itself. When

South hopes to beat East 3rd season in row

The football Warriors of Granite City High School South will attempt to improve their two-loss record at Belleville tomorrow when the Warriors meet the Lancers of Belleville East at 8 p.m.

Hampered thus far by setbacks at the hands of cross-town rival GCHS North in the season opener and Riverview Gardens last week, South will attempt to garner a third victory over the Lancers in as many seasons.

East also lost its season opener to Belleville Altohff, its cross-town rival, but bounced back last week with a 21-6 romp over St. Louis Northwest.

In 1972, South squeaked past East 14-13. The Warriors dominated the Lancers 26-6 last year.

Warrior Coach Stan Wojcik views the contest as possibly narrowing down to a battle of the backfields—South in the air and East on the ground—“since both schools have relatively inexperienced offensive-defensive linemen.”

“Our linemen are getting better,” remarked Wojcik. “They are learning more with each game.”

The grid mentor said that South’s linemen will face a typically big and strong East team that “runs right at you.”

“So our defense will have to play straight-ahead football,” he added.

South will have its defensive

unit geared to stopping Fullback Rick MacLean, a 182-pound junior, who against Northwest carried the ball in 30 of East’s 51 running plays for 81 yards.

The Warrior air attack will be engineered by senior Quarterback Kirk Champion, with Paul Musahl, Frank Barunec and Tom Schooley the usual targets.

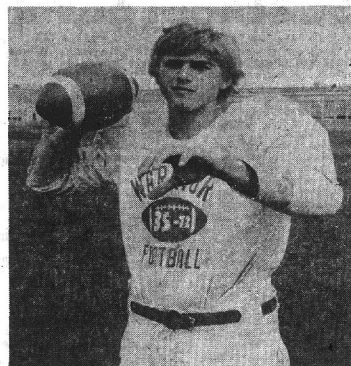

“Champion,” said backfield coach Leroy Beck, “has much improved throwing arm.”

The 5-foot-7, 160-pound letterman completed two of 15 passes against defense-minded GCHS North and hit seven of 15 against Riverview, which included six for nine in the first half.

“If we are that much further improved by tomorrow,” said Beck, “we should be in good shape.”

The Lancers’ offensive line is headed by End Bob Baldwin, the only full-time returning starter, a 165-pound senior. Supporting him are two senior lettermen—Guard Dave Jankowski, 177 pounds, and Tackle Roger Cook, 215 pounds.

Calling the signals is junior Quarterback Jeff McCarthy, who last year threw the ball for 159 yards. Against Northwest, he led the Lancers on a 50-yard TD drive in 10 plays. McCarthy was one for five in the air, a 15-yard TD pass to Senior Kirk Krill.

KIRK CHAMPION
South Quarterback

13th flag football campaign to begin

Young gridiron athletes will take to Wilson Park fields at 9 a.m. Saturday to open the Granite City Park District’s 13th annual flag football season.

The two leagues, named after figures prominent in football, are the Ron Hall and Ken Gray Leagues.

Four teams consisting of 14 players, ages 8 and 9, comprise the Ron Hall League. Hall graduated from the Granite City School system and went on to play with the

Stock car season to end; Rod Bailey is still in title chase

The final chapter of the 1974 stock car racing track championship book at Tri-City Speedway will be completed Saturday when drivers of both the sportsman and late model divisions compete in 50-lap feature events.

Time trials will begin at 7:30 p.m. and the first racing event at 8:30 p.m.

Half of the last chapter was written this past Saturday when Len Gittemeier, St. Charles, Mo., earned enough points to claim this year’s late model stock car track title.

With any one driver able to earn a total of only 210 points on any race date, Gittemeier’s 2170 total is out of the reach of runner-up Russ Wallace, Arnold, Mo., who has 1,945.

The only position up for grabs in the late model standings is third place. St. Louis Bill Scherer, a rookie driver here, has 1,520 points and is defending track champion Will Spalding of Pontoon Beach has 1,515. Scherer is almost certain of the third spot, since Spalding has indicated he will not compete.

Guaranteed the number five spot is last week’s feature race winner, Kenny Schrader of Ballwin, Mo., with 1,270 points going into this weekend’s program.

LEN GITTEMEIER

Schrader pulled double-duty last week, driving in both the stock car and midget events.

He made a clean victory sweep in the late model division and nearly repeated the feat in the midget ranks. Schrader captured his midget heat event and finished second in the feature race behind Belleville’s Arnie Knepper.

In the sportsman class title chase, only 85 points separate the two drivers. Schrader, St. Louis John Wolfmeier (1,450) and Granite City Rod Bailey

(1,385).

Controversy entered into the picture here as the result of a racing event held Sunday at another track located 50 miles from Tri-City Speedway.

The racing event was the season finale at Lakehill Speedway at Valley Park, Mo., and Granite Cityman Gary Barker was the victor.

The Gateway Auto Racing Association is the sanctioning body at both Lakehill and the speedway here.

The controversial issue of whether or not Barker should lose points here was raised when he was stripped of all points earned this season within the association, after his race car was protested by another driver. The car was ruled by officials to be in violation of GARA rules.

With the ruling came Barker’s loss of third place in the point standings here. He had 1,160 points and could have possibly replaced Bailey in the runner-up spot this Saturday with a sweep.

But regardless of the outcome Saturday, Quad-City area fans will witness the ending of a hard-fought season of auto racing that provided a vast amount of entertainment and excitement.

GRANITE CITY PRESS-RECORD
Thurs., Sept. 19, 1974 Page 10

Warriors top Kahok runners

Granite City South harriers dealt visiting Collinsville a double loss Monday on the 2.85-mile cross-country course at Wilson Park. Both the varsity and a Jayvee Warrior teams won 15-50.

The junior varsity victory saw freshman Ken Meagher set a new school record with a time of 16:22 for his grade level.

Senior Dwayne Terry led the varsity Warriors in winning their third dual meet in four outings, with a time of 14:40. South gave no quarter to the visitors, placing eight runners in the top ten positions.

Finishing second through eighth were Jim Hall in 15:19, Sam Nesbitt 15:25, Frank Holmes 15:34, Glen Ahlers Presswood 15:46, Dave Brown 15:59, Greg Ahlers 16:06 and Don Meagher 16:10.

South Jayvee harriers swept the top nine spots. Placing behind Meagher were Garth Weidert 16:48, Glen Ahlers 17:00, Lynn Decker 17:16, Russ Presswood 17:17, Frank Laub 17:34, Mike Turner 17:35, Russ Jacobs 17:57 and Scott Sabo 18:08.

North sophs blank Alton

The GCHS North sophomore gridgers had a heyday at Alton Monday evening, defeating the host school 28-0.

Jim Simpson started the scoring for North, finding the end zone at the end of a 29-yard run. That was followed a short time later by a six-yard touchdown run by Mick Smith.

Joe O’Gara made the third TD on a four-yard sprint through the line.

Late in the game, Alton punted and Steve Morris leaped to block the kick. Leo Field Jr. then scored from 17 yards out.

Greg Corey was responsible for kicking all four extra points.

Visiting Oilers to test North ground and offense

Granite City North’s first grid game with the Wood River Oilers, played last year, ended in a 32-0 disaster for the Steelers. But the North Steeler enter tomorrow’s 8 p.m. contest with Wood River at the South High field here with a potential winning hand.

The Steeler eleven thus far has taken on the role of “spoilers,” defeating GCHS South 7-0 and then Collinsville 15-13; both foes are Southwestern Conference schools.

Wood River is on the opposite side of the fence this season. The Oilers are 0-2, having lost 39-14 to Edwardsville and then 3-0 to Bethalto.

Tomorrow’s contest is a non-conference game, as North is an independent school and Wood River is a member of the Mississippi Valley Conference.

Wood River is considered to be a relatively young team, with only eight returning lettermen and a “rookie” quarterback, 165-pound Jim Powell, a junior.

Powell has linebackers Fred Clark, a 185-pound junior and Tackle Dave Miner, a 206-pound junior, providing protection; both are returning lettermen.

On the receiving end, the Oilers’ only experienced player is Senior Luke Masulla, a 163-pound fullback.

If statistics prevailed, Wood River might have defeated Bethalto.

Offensively, Wood River outgained Bethalto, netting 148 yards to the enemy’s 62, including 123 yards rushing by the Oilers’ Quarterback. Powell completed two of seven passes for 25 yards and Bethalto one of one for 12 yards.

The Oilers’ offensive unit held Bethalto off until only minutes remained; a 30-yard field goal decided the game.

Out most of last season with a knee injury, Donoff raced for 119 yards and scored once on a 51-yard run down the sidelines. He also set up another North touchdown in the third quarter by catching a 51-yard pass from Quarterback Gene Logas on the Kahok one-yard-line.

“We ate up a lot of clock time with our ground game,” said the North mentor, “and I think our ability not to quit won the game for us last week.”

The undefeated Steelers are feeling the pinch in losing one of their main goals in the defensive line. Tackle Dale Anderson, a 5-foot-11, 204-pound senior, He was hospitalized with injuries received in the Collinsville game but returned to school today.

Anderson was credited with helping save North’s victory over the Kahoks when he recovered a Collinsville fumble only three yards from the North end zone.

“We’ll just have to tighten our belts,” said Wyrostek, and work harder to fill in for him.”

A final decision on who will replace Anderson in the line has not yet been made.

4-0 North soccer win

The soccer Steelers of GCHS North boosted their record to 4-1 Monday at Cahokia by blanking the host school 4-0. The Steeler Jayvee squad won 2-1.

North held the edge with 24 shots on goal to the opposing team’s nine.

North had eight corner kicks and Cahokia four.

The Steelers sped to an early lead on goals by Dave Robertson, Dan Sodej and Perry Hartwick while goalie Rick Demaree held enemy scoring attempts in check.

Demaree was the only goal of the second half.

Soccer season for women will begin

The second-year Granite City Soccer Association will take to the field this weekend at Wilson Park to begin the association’s 1974 season schedule.

The association, consisting of women of high school age and older, was formed last fall, with five teams participating in a 20-game schedule.

This year, seven teams will compete in a 16-game schedule

plus playoffs and tournaments.

This Sunday’s schedule:
Mendoza Team One vs. Rebels 1 p.m.
Kehoe vs. Mendoza Team Two 2:15 p.m.
Sammy’s vs. Mercer 3:30 p.m.

Competition will be held every weekend and the regular season will conclude on Sunday, Nov. 24.

Rascals in 4 games Sunday

The Granite City Little Rascals boys’ football program enters its third weekend of competition with one team on the road and three playing at home (South High field) this Sunday.

The Pee Wee squad, now 1-1, hosts Collinsville at 12:30 p.m. Against the Belleville Knights this week, Kevin Sykes ran 45 yards to score and Jim Wyrostek carried a Scott Edwards’ block into the end zone late in the fourth quarter, but the Pee Wees lost 14-12.

Midget North will put its 2-0 record on the line at 2 p.m. when it entertains Edwardsville. The squad defeated the Belleville Devils early this week on TDs by Tim Dudley and Ron Langford.

City’s Midget Central, at 0-2, will seek its first win of the season at 3:30 p.m. when it hosts Wood River. Central lost its first week to Edwardsville, a Robbie Henke end zone pass to Blake Ambuehl provided the only score for the local squad.

Undefeated (2-0) Junior Pee

Wees travel to Fairview Heights for a 1:30 p.m. Sunday contest. The Pee Wees blanked O’Fallon 24-0 here early this week. Kevin Patterson, Art Edwards and Tim Dudley scored first-half touchdowns to give the first-year team its second consecutive shutout win.

Ace by Hodshire

Mel Hodshire, 2309 Cleveland Blvd., after 24 years of golfing, this week used a three-iron to make a hole-in-one with a 178-yard shot on the number eight hole at Sunset Hills Country Club.

Hockey sign-ups

The Granite City Amateur Ice Hockey Association still needs 64 players, ages five to 16, to field full squads in each of its five divisions—Mini-Squirt, Squirt, Pee Wee, Bantam and Midget.

The association will conduct an open registration from 7 p.m. to 9 p.m. today at the Wilson Park ice rink for youngsters interested in attending. Previous ice skating experience is not necessary, as the association has its own training program.

Uniforms and ice time are included in the \$70 registration fee.

Bus to East High

The Warrior Booster Club will provide bus transportation for persons interested in attending tomorrow’s GCHS South-Bellefonte East grid game.

The bus is scheduled to depart at 8:30 p.m. from South High School’s Madison Avenue parking lot. The charge is \$1 for the round trip.

Anderson ailing

Steeler football player Dale Anderson, apparently injured during the weekend in the North-Collinsville Varsity contest, returned to school today. He was hospitalized Tuesday and yesterday.

Anderson will not see action in North’s contest with Wood River tomorrow.

Madison Trojans host St. Louis Central High

Madison’s football Trojans play host at 4 p.m. tomorrow to the Red Wings of St. Louis Central.

Madison will be seeking its first win in three outings, while Central will attempt to improve its 1-1 record. Madison gained defeated the St. Louis team in 1972.

MHS lost its season opener to Wentzville and then a 32-6 game last week to Marquette of Alton.

Madison Coach Al Vonder Haar remarked this week, “It’s hard to win when the players have to play both ways—offense and defense.”

Madison’s double-duty players have shown signs of tiredness in the second-half of each game, failing to respond as quickly to enemy plays and exhibiting less speed coming out of the backfield.

Senior Joe Young, last year’s leading rusher, has carried the ball 21 times for 59 yards. Defensively, he has brought down 21 enemy runs.

Overall, Madison in two contests has been penalized 17 times for a loss of 100 yards, earned 11 first downs, gained 233 yards rushing and 204 yards in the air, and fumbled nine times.

Quarterback Emmet Tim-

mons, a senior letterman, has completed 13 of 29 pass attempts for 204 yards and had three passes intercepted. Senior Running Back Kevin Werner was on the receiving end of nine passes for 177 yards.

Madison’s ground game has netted the team two TDs, and the Trojans have failed to score on a pass.

“We have conquered to some extent our fumbling problem,” said Vonder Haar, “but now we have developed a misunderstanding as to who is supposed to do what.”

“Everytime you get the ball carrier and not the other team’s player he is assigned to.”

Vonder Haar noted that the Trojans have been looking sharper this week during practice sessions and “we’d better look better on the field, too, because Central is packed with power.”

The Red Wings boast 33 returning lettermen from a team that last year pounced on Quarterback Lawrence Gray last week in Central’s 6-0 win over East St. Louis Lincoln.

Second-stringer Joe Mike took the reins for the injured

Gray and capped a third-quarter 50-yard drive with a TD on a fourth-down play. Central was able to gain only 59 yards in the contest, all on the ground.

“I feel we’ll give them a good showing,” said Madison’s grid mentor, “especially since Steve McCunney will be back in action.”

McCunney, a 200-pound senior, received an ankle injury in pre-season practice and is slated to play on both offense and defense here Friday.

Lose road meet

The Granite City North golf team dipped to a 2-4 record in being decisively defeated 168-101 Tuesday by Cahokia at the Columbia Golf Club.

It was the eighth straight road meet for the Steelers. They began a home stand yesterday against Wood River.

North’s scoring was by Tim Behrens 41, Dave Dodson 43, Bob Behrens 45 and Gary Eaker 52.

The Steelers are on the road today for a 4 p.m. meet at Belleville Altohff and then will host Belleville West at 4 p.m. tomorrow at Arlington Golf Course.

Sophs lose 29-0

The sophomore Trojans of Madison, High School failed to penetrate enemy grid territory Monday and lost 29-0 at Duplo.

Homeless family is aided by diving club

Divers from the East Side Diving Club of Granite City attended a benefit dive at Stockton, Mo., an event sponsored by officers of the Midwest Dive Council in order to raise money for two MDC members who lost their home and belongings in a fire this summer.

Events for the weekend included men's skin and scuba diving spearfishing, women's skin and scuba diving spearfishing, and a triathlon event which was an underwater balloon hunt.

Divers paid a \$3 entry fee for each event, with all proceeds going to the homeless family. Fifty-five trophies, donated by MDC member Al Moenik, were awarded for winners in the three events.

After all the events were over, trophies were presented. Four members of the East Side Diving Club won six trophies, Ron Kibort obtaining top honors in the skin spear-

fishing when he hauled in an 11 pound, 3 ounce carp. He received the trophy for the largest fish shot, in this event, and also won a trophy for third place in the underwater balloon hunt.

Debbie Holt of Madison earned first place in the women's competition for the largest fish shot, a five-pound carp.

She also was presented a trophy for the smallest balloon found in the triathlon.

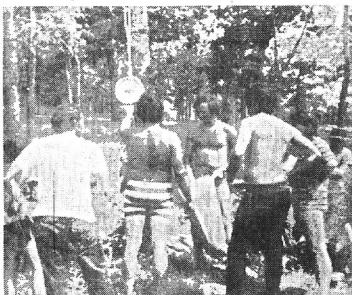

Bart Douglas of Granite City received a fourth-place trophy in the men's scuba spearfishing for bringing in the most fish. Jack Justice of Alton won a trophy for the best "hard luck story" that day.

He and five others aboard had to row three miles across Stockton Lake when their engine failed.

Two mini tanks donated by the St. Louis Scuba Club were given away.

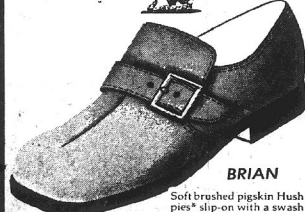

DIVING AWARDS. Bart Douglas and Debbie Holt of the East Side Diving Club display trophies won during a weekend dive. Trophy in the center is the club's traveling trophy, still held by Ron Kibort.

WEIGHING-IN CEREMONIES. Quad-City area skin and scuba divers look on as a five pound carp shot by Debbie Holt is weighed in. Ron Kibort later accepted a trophy from Midwest Dive Council President John Hall for the largest carp shot—11 pounds, 3 ounces.

GRANITE CITY PRESS-RECORD
Thurs., Sept. 19, 1974 Page 12

Mondhink resigns as associate judge

Madison County Associate Judge Harry Mondhink of Alton has resigned his post, which he filled for four years. He had been appointed through July 1, 1975.

The appointment will be filled by the circuit judges from attorney-applicants submitting requests before Oct. 10. Mondhink said he was resigning to return to his law practice.

Scuba classes start Sept. 25

A basic scuba class will start Wednesday, Sept. 25, at the YMCA, 2001 Edison Ave. The class will last eight consecutive weeks from 7 to 11 p.m. on Wednesday nights. All equipment including mask, fins, snorkel, tanks, regulators and bsc pacs will be available for use during the class. Equipment is donated for instruction of scuba classes by the East Side Diver's Supply Co., 2360 Madison Ave. Prospective students wanting more information may stop by East Side Diver's Monday through Friday between 1 and 6 p.m.

Classes will be taught by certified scuba instructor Rex Waggoner, who is certified through PADI. (Professional Association of Diving Instructors) and MDC (Midwest Dive Council). Upon completion of the course and two open-water dives, students will receive both PADI and MDC certification. Students need only to bring swim suit, towel, pen and paper the first night of class. Assisting Waggoner will be members of the East Side Diving Club of Granite City. The club has a membership of 79 members ranging in age from

15 years up. The club members are active divers 12 months out of the year. Most dives consist of a two and a half to three day weekend where the water is clear and fishing is good. The most recent dive took place at Oakland, Ark., on Bull Shoals Lake. This dive which took place on the Labor Day weekend was a success with 63 students certified in open water. The club sponsored a diving trip to Florida in late June. The one week trip took divers down the eastern coast of Florida and into the Keys. Between diving in the ocean and on the coral reefs, divers found time to visit many places on shore. On the journey back home, divers stopped at

fresh water springs in Florida and found the diving to be unbelievably rewarding. A trip to the Bahama Islands was canceled because of bad weather. The next Florida trip which will take place on Dec. 26, will take divers to the Bahamas. Another dive is planned this weekend for 100 students who took the basic Scuba course earlier this year and have notified club members that they will attend the dive to become certified divers. If anyone wishes to attend, they may contact any club member, stop by East Side Divers Supply, or call club president Ron Kibort at 931-2494, or vice president Larry Murphy at 451-8825.

MRS. FRANCIS IN HOSPITAL. Mrs. Walter H. Francis, 2704 State St., has been admitted to Room 307 of St. Mary's Hospital in Richmond Heights, Mo., in serious condition. According to her daughter, Mrs. Marilyn Rongey, she has been ill for several months. Mrs. Francis also is the mother of Terry and Robert Francis, local attorneys. Visitation is limited to the immediate family.

BILLWING SMOKE rose from the former Jiffy Car Wash at 1506 Madison Ave., Tuesday morning as firemen attempted to extinguish the blaze and save Tony's Restaurant next door. The building was

destroyed. It had been purchased by National Steel Corp. and was scheduled to be demolished soon. At far left is Engineer Bob Sanders and beside him is Pipeman Mike Nesbit, both Granite City firemen. (Photo: Record Photo)

5 face marijuana charges

Five young people were charged with unlawful possession of cannabis after police searched their car near 12th Street and Meridian Avenue at 5:38 a.m. today.

Officers said they were what appeared to be young people in the car and stopped to determine if any were out after curfew. Curfew charges were filed against four.

James Hyde, 18, of 867 Thorngate Drive, Mitchell, was charged with unlawful possession of cannabis and contributing to the delinquency of a minor for having a 17-year-old girl with him after curfew.

Charged with unlawful possession of cannabis and curfew were Donna Shaver, 17, of 2028 Washington Ave., Donnie McCormick, 17, also of 2028 Washington Ave., Robert Macke, 17, of 2240 E. 13th St., and a 16-year-old girl who was charged as a juvenile.

All were being held in the Granite City Jail today pending the posting of bond.

Common stock dividend set

Illinois Power Co. has announced the 110th consecutive quarterly dividend on its common stock. The action was taken by the firm's board of directors which declared a dividend of 55 cents per share on the common stock of the company.

Board members also declared regular quarterly dividends of 51 cents per share on the 4.06 per cent cumulative preferred stock, 52 1/2 cents per share on the 4.20 per cent cumulative preferred stock, 53 1/2 cents per share on the 4.26 per cent cumulative preferred stock, 55 cents per share on the 4.42 per cent cumulative preferred stock, 58 1/2 cents per share on the 4.70 per cent cumulative preferred stock, \$1.00 per share on the 8.24 per cent cumulative preferred stock, and 94 1/2 cents per share on the 7.36 per cent cumulative preferred stock.

These dividends are all payable Nov. 1, to stockholders of record on Oct. 10.

\$60 taken by confidence man

A man offered to seal the outside of the chimney at the home of Oscar Campbell, 1314 Granite Ave., for \$8, but ended up taking \$60, it was reported at 1:35 p.m. yesterday.

Officers were told that the man sprayed an oil substance, not a sealer, on the outside of the chimney and said the cost was \$100. Mrs. Campbell argued and the man grabbed \$60 from her hand and said, "I will give you a break. You only owe me \$12 now," police were informed.

The man then left, saying he would return for the \$12.

The workman was described as about 45 to 50 years of age, short, heavy and having a dark complexion. The man had a young boy with him and both left in a light blue pickup truck trimmed in white, police were told.

Fail election result vital to Gov. Walker

By KEN WATSON
Press-Record
Springfield Bureau

Next year is likely to be the decisive one in the political career of Gov. Dan Walker. And the fall 1974 election will play a big role in shaping 1975.

There have been a number of recent indications that the first-term Democratic governor fully recognizes this and is making some long-range plans.

Before departing over the weekend on his European trip, Walker completed some significant political fence-mending that promises to pay him some dividends in the months ahead.

He made a long overdue peace with top leaders of the Illinois AFL-CIO who's state convention at Chicago and artfully sidestepped controversial Victor deGrazia, deputy to the governor, before departing American shores.

Both moves contributed toward a common Walker goal. This is to gain Democratic control of the Illinois legislature from the Republicans in the November election and thereby lay the groundwork for compiling a record of accomplishment in the 1975 legislative session.

Beneath the Statehouse Dome there is a prevailing belief that Walker must achieve such a record if he is to fulfill his scarcely-disguised ambition of becoming a national figure and a possible Democratic nominee for President in 1976.

By the same token, it is reasoned that unless Walker develops some substance to add to his fair, he may face certain defeat in a bid for re-election as governor against the expected challenger, a Republican Attorney General William J. Scott.

Odds heavily favor the prospect that Democrats in November will gain firm control of the House and also probably edge out Republicans in the Senate majority. Republicans now hold both the House and Senate by single vote margins.

However, party control of the legislature will not be enough.

Wachter to foreman's post

William A. Wachter has been appointed general foreman of the pattern shop at the Granite City plant of American Steel Foundries, it was announced by M. B. Milonski, works manager.

Wachter succeeds Allen W. Lawrence who is retiring.

In 1948, Wachter joined the company as a patternmaker apprentice. He later served as a process inspector and foreman of the pattern shop.

A native of Granite City, he graduated from Granite City High School and also received a certificate in industrial management from Southern Illinois University, Edwardsville.

Wachter and his wife, Barbara, reside at 1560 Garfield Ave. in Granite City with their two daughters. He is active in civic affairs and is serving as a member of the ASP plant's Tri-Cities Area United Fund committee as well as on the council of St. John's United Church of Christ. He also has been a Junior Achievement advisor.

GC Rotary at Moody farm

Barbecue ribs, potato salad, slaw and relishes were served 45 Granite City Rotarians at the club's annual cutting Wednesday between 4:30 p.m. and 8 p.m. at the Buryl Moody farm near Troy.

The Rotarians practiced their golf driving, played horseshoes, visited and ate barbecue, according to President Walter Milton.

The next meeting of the club will be Tuesday at 12:15 p.m. at the local YMCA. Rotarian James Bowman will be the program chairman.

SIUE Parents Day brunch

A buffet brunch has been included in activities planned for Parents Day at Southern Illinois University at Edwardsville Sunday, Bonnie Little, director of conferences and institutes, announced today.

The brunch will be served in the University Club dining room from 10 a.m. until 12:15 p.m. Reservations for the meal may be made by contacting University Food Service at 666-3040. Cost of the meal will be \$2.45 for adults and \$1.25 for children age 12 and under.

Registration has been moved to 10:30 a.m.

The day's activities will include registration, brunch, informational workshops, a tour of the campus, and a free barbecue at Tower Lake.

Car catches fire, driver injured

Dwight Schrader, 32, who resides at the Tri-Cities Area YMCA, was injured when he leaped from his moving car as fire came from the engine compartment in the 2600 block of Namekidi Drive at 2:25 a.m. Wednesday.

He jumped from the doorway and he found a note on the windshield saying the car would be blown up. He said he disregarded the note as a joke and began to drive. When he was on Namekidi Drive, he smelled gasoline and notices flames coming from under the car, he reported.

He jumped from the doorway and his burning car struck the parked auto of Robert Smith, 735 Twenty-sixth Place, before coming to stop in the fence of Gary Carter, 2663 Namekidi Drive.

The Granite City Fire Department extinguished the burning car.

Troop 28 plans weekend campout

Thirteen Boy Scouts, members of Troop 28 sponsored by the Parkway School PTA, held a clean-up during their regular meeting Saturday morning.

The scouts formed a "human chain" and gathered debris at the Worthen Park playground.

In keeping with the slogan on the park trash barrels, "Help Keep Your Park Clean," the Scouts collected a full trash barrel, paper candy wrappers, cans and other litter.

Members of the troop helping were: Jerry Halbrook, John Wiggins, Mike Niemeyer, Jim Owens, Marty Rose, Kevin Brooks, Brad Blischoff, Chris Roberts, Lesli Kee, Tom Brown, Brian Mainer, Kenny Brooks and Dave Carnahan. Adults were Don Wiggins and Bob Niemeyer.

The troop's next activity will be an overnight campout Saturday and Sunday at Pere Marquette State Park.

SHOT FIRED AT CAR

Charles Haggling, Spanish Lake, Mo., told police at 11:06 p.m. yesterday that a car followed him on Hodges Ave., and then the vehicle tried to pass his car, someone threw several bottles from the auto, one striking his car. The vehicle then attempted to force Ringling's car off the pavement, he said. Ringling sped away and heard what he thought was a gunshot. Police found a hole in the rear of his car.

Accelerated program to curb alcoholism in Illinois

By MARY LOU MANNING
Press-Record

Springfield Bureau
The statistics tell the story:
—There are 546,000 alcohol
abusers and alcoholics in
Illinois.
—For each one of these, four

to six persons are directly af-
fected by this abuse (3.8 million
Illinoisans).
—96 per cent of the alcoholics
are not receiving any kind of
treatment.
—About 36 per cent of the

fatalities on Illinois highways
are directly or indirectly
related to alcohol.
But what can be done about
it?

The Illinois Department of
Mental Health and Develop-
mental Disabilities already has

within its framework an
alcoholism program. Recent
legislation passed by the
General Assembly would give it
a new Division of Alcoholism.
"The change will increase the
responsibility of the department
as well as that of the Depart-
ment of Public Health," ex-
plained James Griffin, policy
advisor for the existing
Chicago-based program.

The legislation includes a
mandate that the DPH set
standards for private and public
treatment facilities and provide
inspections to see if the

regulations are met.

"Under the old operations, we
were primarily concerned with
writing and implementing the
state plan for the treatment and
control of alcohol and
alcoholism," said Griffin, who
helped write the new
legislation.

"We were also responsible for
the programming and plans for
the treatment of alcoholism at
the state's 27 mental health
facilities, plus 225 private
agencies throughout the state."
For the period June 30, 1973
July 1, 1974, the state facilities

provided treatment for 7,000
alcohol abusers.

"The new legislation also will
allow us to have a little more
input from law enforcement
agencies," explained Dr. LeRoy
Levit, director of the DMHDD.
"We will be able to see that
alcoholics are not being treated
as criminals, but as persons
who are sick."

The bill is based on the con-
cept that drunkenness should be
treated as a disease, not a
crime. It criminalizes public
drunkenness and certain other
related crimes.

"No money was appropriated
for the division's creation," he
emphasized.

Also included in the bill are
provisions for the treatment of
alcoholics through a myriad of
responsibilities. One important
part of this is the availability of
detoxification — or "Drying
out" — facilities on a 24-hour
basis.

"The department won't be
operating these centers but may
set them up through a con-
tractual basis," Griffin said.
The bill also provides for a
statewide treatment plan

establishment of a citizens'
advisory council on alcoholism;
cooperation with the Depart-
ment of Corrections for
treatment programs within its
institution; and a review of all
state health, welfare and
treatment plans which are
submitted to the department for
federal funding.

Gov. Dan Walker has
returned the bill to the
Assembly for amendatory
action. He is in support of its
contents but wants the effective
date of Oct. 1, 1974, changed to
July 1, 1975.

GC boosts cab fares

An ordinance adjusting
Granite City taxi cab fares
upward by 25 cents in all five
cab zones was enacted by the
City Council on a 10 to 3 vote
Monday night following long
debate over proposed controls
for the cab business.

The ordinance, which was
placed on first reading three
weeks ago, provides a 25-cent
discount for senior citizens
whose age of 65 years or older is
confirmed by a Bi-State Senior
Citizen Identification card or
proof of the receipt of social
security allotments.

The rate for travel on trips
originating at the cab stand in
Zone One is raised from 65 cents
to 90 cents. Other changes in-
clude: Zone Two, raised from 90
cents to \$1.15; Zone Three from
\$1.15 to \$1.40; Zone Four from
\$1.40 to \$1.65 and Zone Five
from \$1.65 to \$1.90.

The bill also increases from 10
cents to 25 cents the fare of
extra passengers and increases
from 25 cents to 50 cents the cost
of packages or parcels
delivered by the driver.

Several aldermen protested
that the ordinance pertained
only to fares and that a com-
plete cab control ordinance
setting specific regulations for
taxicab operation should be
considered. Such an ordinance
should establish mechanical
standards as well as
qualifications and ability of
drivers, some aldermen said.
Ron Jamerson, operator of
the Yellow Cab Co., the only
taxi cab service now operating
in Granite City, said he had
recently acquired the business
and that it is his intention to
build up the service, both in
appearance and efficiency, but
that "no cab business can
operate on the income per-
mitted by the present fee
schedule."

"We're right on the brink of
not having any cab service in
Granite City," Jamerson told
the council when he was
granted permission to speak in
behalf of the fare increase.

Jamerson noted that it has
been three years since cab fares
have been increased "and the
cost of everything has gone up a
lot since then—tires, gasoline,
maintenance and mechanical
work," he said.

Alderman Sam Whitmer of
the Second Ward said he was
concerned over the mechanical
standards of some of the cabs
and that he believed the city
should set up an inspection plan
under which cabs would be
required to conform with
certain standards and undergo
regular inspections.

Gerald Parmley, alderman of
the Sixth Ward, objected to
the scheduling of zone rates. He
protested that from his home a
cab going four blocks in one
direction would cost \$1.90, but
that in the opposite direction the
ride could go to the far end of
the city for \$1.65.

Jamerson said the cab zones
were devised many years ago
and that the zoning was not
under his control. The proposed
rate increases are within the
zones created earlier, he said.

The cab operator said the
majority of complaints he has
received since acquiring the local
cab firm have involved the
general appearance and
cleanliness of the cabs, a
problem which he intends to
solve. He said his firm main-
tains a full-time mechanic

which keeps the cabs in good
operating condition.
Voting against the cab fare
increase were Alderman
Parmley, R. E. Robertson and
Roy Paulos. Voting in favor

were Alderman Claude Green,
Frank Greenwald, Clyde Boyd,
Whitmer, William Dallas,
Everett Morlen, Emerald
Dawes, Walter Nann and Steve
Basarich.

WANTED
5 HOMES THAT
Need Painting

ILLINOIS AREA—5 home
owners in this general area
will be given the opportunity
of having the new Steel Siding
by U. S. Steel applied to their
homes with optional
decorative work at a very low
cost. This amazing new
product has captured the inter-
est of homeowners
throughout the United States
who are fed up with constant
painting and other main-
tenance costs. It will last for 30
years and provides full insu-
lation summer and winter,
as well as fire protection. Our
new product can be used over
every type of home, including
frame, concrete block, stucco,
etc. It comes in 8 colors and is
now going to be introduced to
Illinois area market. Your
home can be a show place in
your vicinity and we will make
it worth your while if we can
use your home.

Council upholds denial of rezoning for Denny's

A recommendation by the City Plan Commission that a special use permit be granted for operation of an insurance office at 1907 Johnson Road was overridden by the Granite City Council Monday night in a series of actions on zoning and annexation issues.

Council members went along, however, with the plan commission action denying a request for rezoning of property at Nameoki Road and Cottage Avenue for construction of a Denny's Restaurant. The 13

aldermen present voted unanimously to concur in the commission's recommendation to reject the rezoning plan. The aldermen voted 12 to 1 to override the plan commission approval of a request by Madison Alderman Richard Kismar for a special use permit to establish his MFA Insurance Co. office in a house at 1907 Johnson Road on a motion by Alderman Ronald Coleman, chairman of the council's Planning and Zoning Committee.

The only negative vote on the move to reject the Kismar plan was by Alderman William Dallas who is a member of the three-member Planning and Zoning committee which met to discuss the zoning matters prior to the regular council session. In making his motion to override the plan commission and reject the special use permit request by Kismar, Coleman told the council that the committee had split two to one (Coleman and Alderman Claude Green against Dallas).

4. Approved a recommendation by the plan commission that an ordinance be adopted to amend the zoning ordinance to provide that if a piece of property is denied a zoning change, the same piece of property cannot come before the planning commission for the same type of business for one year.

The council acted individually on the separate proposals and in discussion of the latter Alderman Walter Nomm protested that a year was too long to ban second appeals for rezoning. "This amounts to a moratorium on property," Nomm said.

Coleman and Daves said they believed the people should be protected against the necessity of "coming back here every two

Granite City Press-Record Thurs., Sept. 19, 1974 Page 19

State hospital staff size is reduced 2,200

During the past two years, the number of employees in the Illinois Department of Mental Health and Development disabilities has decreased nearly 10 percent, according to the DMHDD's six-month summary.

At the end of June 1972, the total number of employees was 22,755. As of June 30, 1974, this number had decreased to 20,568.

Correspondingly, the number of residents in the state facilities are declining. Eight years ago, the population totaled 28,250 while the latest figures set resident numbers in the 26 state-run facilities at 15,714.

Dixon State School has the largest number of employees with a total of 2,236 as of June 1974 in both patient and support services. It is followed by Lincoln State School with 1,818 employees, Manteno State Hospital with 1,801, Chicago-Reed Mental Health Center with 1,674, Elgin State Hospital with 1,543 and Galesburg State Hospital with 1,033.

The smallest numbers of employees were found in the Herman M. Adler Zone Center, Champaign, with 175, followed by Adolph Meyer Zone Center, Decatur, 236; William A. Howe Development Center, Tinley Park, 248; Chester Mental Health Center, 285; and Andrew McFarland Zone Center, Springfield, 274.

In addition to the zone and development disabilities employees, 931 positions were filled in the Illinois Mental Health Institutes, 206 in the Drug Abuse Program and 406 in the General Office.

Of the 20,568 total employee figures, 12,560 are involved in patient service.

This includes the career group encompassing nursing, both registered and non-registered, physical therapy, psychologist, social worker, special education, dental care, hearing and speech and mental health rehabilitation.

Another 7,948 were employed in support service, which is broken down as follows: 647 in administration, 3,744 in custodial, 1,109 in maintenance and 2,448 in "other."

Custodial work involves support, clothing and food services, housekeeping, laundry, police-security and fire protection and storekeeping.

"Other" includes accounting, clerical, data processing and other non-patient care.

MHS junior expelled

A Madison High School junior was expelled by order of the Madison Board of Education Monday night following a special meeting in which the case was considered.

"The youth has been expelled until he decides he is ready to return to school and is willing to follow the rules," Superintendent of Schools John Palchick said.

"It is unfortunate that the youth does not realize the importance of a high school education, but his attitude before the board did not indicate he is ready to settle down."

In the only other action taken, the board authorizes district office secretaries to attend a meeting of the Illinois Association of Educational Secretaries Friday, Oct. 25, at Oakbrook, Ill.

The board will hold its regular meeting today at 7:30 p.m. in the Wensel L. Brown building, 1707 Fourth St., Madison.

TAKE CASH FROM HOME
About \$5 in bills and some change were stolen from a purse inside the home of Richard Schaus, 2134 Lynch Ave., It was reported at 10:15 p.m. Monday. A side door was forced open to gain entry.

COUPON RICH'S FROZEN BREAD DOUGH

MR. AND MRS. DAVID REES whose wedding was solemnized at Sacred Heart Catholic Church. The bride is the former Miss Sandra Louise Vaughn, daughter of Mr. and Mrs. William Vaughn, 2906 Idaho Ave.

Sandra L. Vaughn becomes Mrs. David Michael Rees

Miss Sandra Louise Vaughn, a daughter of Mr. and Mrs. William Vaughn, 2906 Idaho Ave., and David Michael Rees, son of Mr. and Mrs. Francis Rees, 2228 Cleveland Blvd., were united in marriage at 6 p.m. on Sept. 13 at Sacred Heart Church.

The Rev. Daniel Flynn officiated at the double-ring ceremony. Mrs. Margaret Crawshaw presided at the organ and played "Hawaiian Wedding Song," "Twelfth of Never," "I Don't Know How to Love Him" and selections from Romeo and Juliet.

Escorted to the altar by her father, the bride wore an A-line silhouette gown of white crepe, lavishly appliqued with Chantilly lace motifs etched with sequins and bugle beads. The delicately fashioned neckline was accented with a bejeweled lace medallion and long full sleeves featured a wide cuff trimmed with matching lace.

She wore a lace-edged mantilla veil and carried a colonial bouquet of daisy poms, white carnations and baby breath.

Attendants included Misses Rebecca and Judith Vaughn, sisters of the bride, Miss Laura Harris, the bride's cousin, Mrs. Thomas Rees, a sister-in-law of the groom, and Miss Melaine Rees, the groom's sister. They were dressed in rainbow-color chiffon gowns designed with embroidered bodices. Lace edged the necklines and cuffs of the long puffed sleeves.

Each wore a picture hat trimmed in ribbons to match their gowns and held clusters of long stemmed carnations and baby breath. The groom chose his brother, Thomas Rees, as his best man. Another brother Mark Rees, John Vassiloff, Craig Hill and Arthur Vaughn, cousins of the bride, served as groomsmen. Ushers were James Schneider, the bride's cousin and Miss Emily Rees, a sister of the groom.

Guests were received by the newly-married Mr. and Mrs. Rees at a reception held at Long Lake Firemen's Hall. Miss Laurie Bauer attended the guest book.

Mr. and Mrs. Thomas Rees hosted a rehearsal dinner in their home 2335 E. 29th St.

The bride is a 1973 graduate of Granite City High School and is employed in the offices of Dr. Avivi Heimann.

Her husband was graduated in 1971 from Assumption High School and now works as a pipefitter at Granite City Steel.

Both mothers wore formal-length gowns. Mrs. Vaughn wore a yellow carnation corsage and the groom's mother, Mrs. Rees, chose a white carnation corsage.

Mrs. Edmonds hosts meeting

Past officers Fellowship Group of Gabriel Shrine 78 met during the weekend at Lindsey's Steak House for a business meeting.

Present were Dr. and Mrs. Elwood Ackerman, Mr. and Mrs. Ray Barr, Mrs. Hilda Griffith, Mrs. Clara Harbig, Mrs. Bess Henley, Mr. and Mrs. David John, Mr. and Mrs. John Dillart, Mr. and Mrs. Charles Youngs, Mr. and Mrs. William Kincaid, Mrs. Effie Johnson, Mr. and Mrs. Charles McCollum, Mr. and Mrs. Phil Morrison, Mr. and Mrs. Roland Miller, Mrs. Florence Spohr, Mrs. Lida Theis and Mrs. Eva Shearer.

MR. AND MRS. DAVID GEGGUS. They were united in marriage in a candlelight ceremony at Suburban Baptist Church. The bride is the former Miss Debra J. Grace, a daughter of Mr. and Mrs. Gene Grace, 2901 Wayne Ave.

Suburban Baptist scene of Geggus-Grace nuptials

Suburban Baptist Church was the scene of the wedding of Miss Debra J. Grace, a daughter of Mr. and Mrs. Gene Grace, 2901 Wayne Ave., and David G. Geggus, son of Mr. and Mrs. George Geggus, 2560 State St., on Sept. 14.

Candlelight illuminated the sanctuary for the 6 p.m. double-ring ceremony performed by the Rev. Bob Worley. Miss Donna Cockrell sang, "Time in a Bottle," "Theme from Romeo and Juliet," "Sunrise, Sunset" and "The Lord's Prayer." She was accompanied at the organ by Wayne Fisher.

Escorted down the white carpeted aisle and given in marriage by her father, the bride was wearing a formal-length white silk organza over a white tulle dress. Her gown was designed with a molded bodice, a pleated yoke trimmed with a band of Alencon lace and a high neckline accented with a ruffled edge.

The long organza sleeves revealed Alencon lace motifs and wide lace cuffs. The lightly gathered skirt was fashioned with a scalloped Alencon lace panel and was encircled with a wide ruffle.

She wore a mantilla veil of imported silk illusion bordered with lace trim and secured with a lace headpiece. Her bouquet was an arrangement of orange roses, white carnations, green carnations, orange baby breath and greenery encircled with a wide lace cuff.

Mr. and Mrs. Jan Rigby, honor attendants, were a canary yellow tulle dress with a self fabric band and a high neckline was accented with a stand up ruffle.

Her sleeves were short cap style and the full flowing skirt was slightly gathered at the high rise waistline.

Bridesmaids Miss Theresa Grace, a sister of the bride, and Miss Paula Hagnauer and Miss Debbie Presley were dressed in identical styled gowns in apple green.

All girls wore matching accessories and portrait hats of imported English straw and carried colonial bouquets of green carnations, orange baby breath and green foliage.

Kathy Cook, the flower girl, appeared in a green over yellow pea train gown and wore a yellow bow in her hair to suggest a layered illusion short veil. She carried a white basket filled with various colored flower petals.

Steve Stelmeyer served as the ringbearer. The groom chose Larry Gauen as his best man.

Gavin and Joey Grace, brothers of the bride and Richard Gouy were groomsmen.

Escorting the guests to their seats were Ted Geggus, the groom's brother, Steve Hills and Jim Conway.

Candlelighters Jane Geggus and Julie Grace, sisters of the bride couple, wore long orange pea train dresses.

Miss Ruth Geggus, a sister of the groom, presided over the guest book at a reception held at the church fellowship hall for 300 guests. She wore a formal gown of yellow polyester jersey knit made with an apron effect which was trimmed with white eyel.

Wendy Townzen, a cousin of the bride, was the maid of honor. She wore a white tulle dress with a wide lace cuff and a high neckline.

MRS. STEPHEN C. REYFF, the former Miss Connie Lee Hanning who was married in an afternoon ceremony at Messiah Lutheran Church in St. Louis. She is a daughter of Mr. and Mrs. Kenneth C. Hanning, St. Louis.

Reyff-Hanning nuptials at Messiah Lutheran

Wedding vows were exchanged by Miss Connie Lee Hanning of Morton, Ill., and Stephen Charles Reyff of Chicago, at 2 o'clock on the afternoon of Sept. 15 at the Messiah Lutheran Church in St. Louis.

The Rev. George W. Whitmer officiated. Parents of the bride are Mr. and Mrs. Kenneth C. Hanning, 5701 Pinkman Ave., St. Louis. The groom is a son of Mr. and Mrs. Howard Reyff, 140 Arlington Drive, Granite City.

Given in marriage by her father, the bride selected a long white gown fashioned with a lace pinure style bodice and long tapered lace sleeves.

Her mantilla veil was bordered in matching lace and she carried a tattered bouquet of summer blossoms.

Maid of honor was Denise Mayberry, matron of honor, Mrs. Ted Lawther, and bridesmaids included Lucia Kustner, Cathy Gullen, Karen Kustner, Carol Ann Youngman, Deborah Dewcock.

Attending the groom were Ted R. Lawther, Michael K. and Bruce A. Hanning, Michael and Howard Reyff, Joe Rickenbocker and Greg McCabe. Seating the guests were Gary McCabe and Roger Casey.

A reception was held at the Cheshire Inn, Clayton, Mo.

Sr. Citizens plan bazaar

The Tri-City Area YMCA senior citizen group, whose coordinator is Mrs. Marty Herman, is busy making things for its 10 a.m. Oct. 4 bazaar at the YMCA.

All types of hand work, fancy work, quilts and pillowcases will be featured. There also will be sandwiches, cakes, pies and coffee during the lunch hour.

Plans are being made for a Thanksgiving dinner and a Christmas gift sale project.

CONSUMER CONTEST

SPONSORED BY MADISON COUNTY FARM BUREAU
Rules of the Contest—No Purchase Necessary

- Contest open to all adult residents of Madison County.
- Winners will be determined on basis of their answers to the questions pertaining to each contest animal.
- Employees of Farm Bureau and its affiliates and families, persons engaged in the livestock industry not eligible to enter.
- Entries must be received by the Madison County Farm Bureau office, 500 Hillsboro Ave., P.O. Box 10, Edwardsville 62025, and must be postmarked prior to midnight Saturday October 12, 1974.
- Decisions of the judges will be final—in cases of ties, postmark (date and time) will be the determining factor.
- Only one winner per family shall be allowed.

- STEER**
(First prize, 1 rear quarter; second prize, 1 front quarter)
- Live weight of the steer was _____ pounds.
 - The steer had a dressing percentage of _____ %.
 - This animal graded (high choice, choice, prime, good), Underline one.
 - The brisket is found in the _____ quarter.
 - The _____ pounds and represented _____ % of the total carcass.
 - The carcass weighed _____ pounds.
 - Cost to the feeder was _____ dollars to produce this animal.
 - What was the market value of the animal? \$ _____ (9-16-74 purchase date).
 - What was the retail value of the animal? \$ _____
 - There were _____ pounds of fat and bone loss.
 - What cut would be used for beef bacon?
 - Steaks are found in two (packers') cuts. They are _____ and _____

- HOG**
(First and second place winners will each receive 1/2 of the pictured animal)
- What was the cost of this hog as a feeder? \$ _____
 - What was its market weight? _____ pounds.
 - Was this animal a No. 1 or No. 2 hog? _____
 - What was the live weight of this hog? _____ pounds. (9-16-74 purchase date).
 - What was the market value of the animal? \$ _____
 - Cost to the feeder was _____ dollars to produce this animal.
 - How much did it cost the producer to feed this animal to market weight? \$ _____
 - What did a Bacon butt weigh from this hog? _____ pounds.
 - What was the dressing percentage? _____ %
 - What did the loin of this animal weigh? _____ pounds.
 - Bacon, sausage trimmings and _____ come from the side.

J. GAYLE MERICLE

Miss Mericle on police force

Miss J. Gayle Mericle who graduated with honors last month from Western Illinois University has received an appointment from the Joliet, Ill., police department and was to be sworn in as a police officer today.

She is a daughter of Mr. and Mrs. Harry Perkins, 3108 Bluebird Lane, and a 1971 graduate of Granite City High School.

Miss Mericle majored in law enforcement administration and is a member of Lambda Alpha Epsilon, Criminal Justice Fraternity, and the WJU Judo Club.

She also interned during the 1974 spring quarter with the Peoria Police Department and Illinois Police Training Board.

Roses theme of Thorngate

Roses made up the theme of the first meeting of the season of Thorngate Garden Club in the home of Mrs. Marilyn Deatherage, 5120 Maryville Road.

A dessert luncheon was served prior to the meeting and the hostess used small bottles of a rose cologne as favors. Mrs. Deatherage then read a poem she had written as a tribute to the rose.

The invocation was given by Mrs. Beulah Miller and the business session was conducted by the president, Mrs. Betty King. Roll call was answered by each member naming her favorite rose and giving a small history of the species.

An interesting program on four roses mentioned in the Bible was presented by Mrs. Deatherage who read the Bible verses relating to the four mentioned.

A discussion on the Charity Days project this weekend at Nameoki Village Shopping Center was held, with Mrs. King announcing members are to attend a workshop in her home prior to the fund-raising event.

Mrs. Lillian Delps was named chairman of a committee to arrange for a party at the Colonial Haven Nursing Home on Oct. 10. Mrs. Wanda Kincaid will serve as co-chairman.

Tentative plans also were discussed for parties to be held at both the Professional Care Home in Troy and at the Shelter Care Home in Edwardsville.

Other members attending the meeting were Medares Lillian Delps, Wanda Kincaid, Mary Markham, Beulah Miller, Patricia Polley, Frances Polley, Helen Polley, Pearl Young, June Lux, June Markham and Jean Bethel.

Mrs. Bertha Macios feted on birthday

A surprise birthday party was held in Evansville, Ind., for sisters Mrs. Bertha Macios of Granite City and Mrs. Nina Russell of Owensboro, Ky.

The party was at the home of Mrs. Russell's daughter and son-in-law, Harold and Rosanne Jennings, and the couple's children, Robert and Tommy.

A buffet dinner was served to the above and to Mrs. Bernice Caldwell of Peabody, Ill., Mr. and Mrs. Ivan Calvin and children, Glenda, Stanley and Norman, Mr. and Mrs. Carl Macios and children Mark, Cathy, Joann, Julie and Karen all of Granite City, and Mrs. and Mrs. Thomas Jennings, of Owensboro.

JUDGEMENT TREE
HISTORICAL SOJOURN to the Judgment Tree where Daniel Boone held court in Defiance, Mo., was made by Cub Scouts and families of Pack 8, Pack 121 and Pack 108 during the weekend. Seated, center front and to right, are Chris Nash, Jamie Cornier, David Wiser, Ronald Miller, David Noble, Donald Miller and John Misturak. From far left are Richard Dermott, Jerry Phillips, Mark Vanyo and Scott Foote.

Scouts tour historical sites

Cub Scouts and their families from Pack 8 sponsored by the First United Presbyterian Church, Pack 108 of Lake School PTA and Pack 121 of Wilson School PTA enjoyed a trip to Daniel Boone's Home in Defiance, Mo. over the weekend.

The boys learned the history of Daniel Boone's life and were shown a replica of old "Tuck Licker," his favorite hunting gun. Rebecca Boone's butter churn along with her waffle iron and cookie press were displayed. Also on display were spinning wheels and weaving looms.

While touring the museum the children saw stuffed animals caught in the locality, and tools and furniture used in the area through the years.

One of the special attractions was the "Judgment Tree" where Daniel Boone held court. Lunch was enjoyed at the picnic area before leaving for home. Several families stopped at Six Flags enroute home.

Opti-Mrs. host morning brunch

The Granite City Nondy Opti-Mrs. Club resumed meetings Monday, with a "Come As You Are Brunch" in the home of Mrs. Maurice Dailey of Edwardsville. Assisting Mrs. Dailey were Mrs. Harold Fischer, Mrs. Leo Konzen, Mrs. Don Farrington and Mrs. Gene H. Sternberg. Fall flowers were used on the buffet table and throughout the house.

Mrs. Robert Brave, president, conducted the business session. Mrs. Irby Todd led the club in reading the "Optimist" Creed. Mrs. Farrington, chairman of the Nurse Scholarship Committee, gave a progress report of the student nurse.

After the business session, Mrs. Ted Auderheide acted as auctioneer for a "white elephant" sale and bake good auction, to help finance the scholarship program.

Prizes were awarded to Mesdames Todd, Lewis Frazier and Farrington for their "Come As You Are" clothes.

Thirty-one members were present. The club's next meeting will be their annual Guest Day to be held at St. Peter Evangelical United Church of Christ, Oct. 21.

Granite Chapter 650 fetes past officers

Granite Chapter 650 met during the weekend at the newly rededicated Masonic Temple to honor all its past matrons and past patrons.

Surprise guests named during the evening were Mrs. Hazel Wood, instructress and past matron in 1966; Mrs. Nannie Meadows, 1938 past matron, and Julian Smith, past patron in 1938.

Miss Bess Henley, past grand matron in 1946, was escorted and introduced with three grand lecturers, 23 grand chapter committee members, 25 past matrons and nine past patrons.

Past matrons and past patrons who assumed the officer stations for the evening were Louise Meadows, 1972 officers, as worthy matron and worthy patron; Arline Fox, 1952, as worthy matron; David Smith, 1955, as worthy patron; Mary Ellen Lewis, 1960, as secretary; Isabel Dickman, 1955, as treasurer; Cora Hettich, 1968, as conductress; Ida Cariss, 1965, as associate conductress; Rachel Larsen, 1973, as chaplain.

Mrs. Meadows, marshal; Hulda Griffith, 1963, organist; Virginia John, 1957, Adah; Bess Henley, 1957, Ruth; Kathryn Edmonds, 1962, Esther; Hazel Wood, 1966, Martha; Blanche Leuchter, 1959, Electa; Florence Spohr, 1961, warder; Sadie Jones, 1938, sentinel; Walter Johnson, 1973, color bearer, and LaVerne Larsen, 1965, soloist.

Worthy matron Betty McClintock introduced Granite Chapter sweethearts, Mary Ellen and Lloyd Lewis, and two guests from St. Louis. Chapters. A skit entitled "Foot Prints" was presented by Mrs. McClintock and her husband, Harry McClintock, worthy patron, and several officers for the benefit of the honored guests.

LaVerne Larsen sang several selections during the evening. During the business meeting, plans were finalized for a Noon-Day luncheon for the public on Oct. 11 from 11 a.m. to 2 p.m. There also will be a "white elephant" booth and tickets will be available from members and at the door on the day of the luncheon.

Mrs. McClintock also announced the Southern Illinois Patrons Club dinner dance will be held Saturday at Augustine's Restaurant in Belleville. Letters then were read from former past matrons, Mrs. Tina Neunreiter, now residing in Manchester, Mo., and Mrs. Dorothy Fitzpatrick of Orlando, Fla.

Granite Chapter will honor all members and officers of New

Heather Ochoa marks birthday

Walt Disney characters decorated the home of Mr. and Mrs. Joseph Ochoa of Edwardsville, grandsons of the guest of honor, and great granddaughters, Mr. and Mrs. Orville McKay and Mrs. Ed Brueggemann.

Also present were the child's Godparents, Miss Joanne Ochoa of Edwardsville and Mr. and Mrs. Steve Ferguson of Oklahoma City, Okla.

Ice cream and cake was served by the hosts after the honoree opened her gifts.

Guests attending were Mr. and Mrs. Kenneth Brokaw, of Granite City and Mr. and Mrs. Joseph Ochoa of Edwardsville, grandsons of the guest of honor, and great granddaughters, Mr. and Mrs. Orville McKay and Mrs. Ed Brueggemann.

Also present were the child's Godparents, Miss Joanne Ochoa of Edwardsville and Mr. and Mrs. Steve Ferguson of Oklahoma City, Okla.

MELINDA JO LUX, a victim of cystic fibrosis, whose aunt, Mrs. Brenda Harper, will head the door-to-door campaign for funds in the Madison area.

Cub Roundtable at Coolidge

The Uniwah District held its Cub Scout Roundtable at Coolidge Junior High School with Nadene Taylor, Roundtable commissioner, in charge. The meeting opened with a reading "Our Flag," by Pat Foote of the Roundtable staff, assisted by John Schrader, district commissioner; John Blasingame, School Night for Cubbing chairman; Rose Lawrence, den leader Pack 21 of the First United Presbyterian Church in Madison; Sandy Buford, Roundtable staff; Barbara Schwertman, den leader coach Pack 20, Webster School, and Vee Throne of the Roundtable staff.

Mrs. Throne led the group in songs relating to the theme of the month, Mrs. Buford explained the rules for playing "Married Words" with the audience participating.

Blasingame reported on the progress of "School Night for Cubbing" which will be held throughout the Quad-Cities on Sept. 19 in all the local schools. Each Cub who recruits a new boy will receive a "Be Prepared for Life" patch. If the new recruit subscribes to Boys' Life Magazine, the recruiting boy also will receive a "Pedro" patch.

In keeping with theme "Land of Make Believe," Pat Shable of the Roundtable staff dressed as "Death," explained her costume and many others, assisted by Marla and Eric Schrader. Mrs. Shable also explained and demonstrated puppets, shoe-string characters, and scenery.

The group played Yankee Doodle Relay with Mrs. Taylor and Mrs. Foote as judges.

Schrader announced that applications for summertime pack awards should be turned into the Council Service Center. To qualify, a unit must have held three activities during the summer with at least 50 per cent of the group in attendance. The district camporee will be held Oct. 11-13 with the Webster Scouts invited to attend on Oct. 12. There will be a father-son camporee later in the fall for the Webster. The annual district business meeting will be held Nov. 7 and all Institutional Representatives are to attend as they represent the volunteers in the district and have the voting power.

Nov. 14 is the date of the district dinner. At that time the award of merit will be presented to the outstanding adults in the area and units will receive awards earned during the past year.

Schrader suggested planning for the coming Scouts-Rama and Charles Buford of the Roundtable staff explained the Webelos theme of Forestry and distributed literature.

A point of special interest was a talk and demonstration by Charles Hileman assistant fire chief of the Granite City Fire Department. Hileman noted that Fire Prevention Week is observed during the week of Oct. 9 because that is the anniversary of the great Chicago fire. There are over 2 million fires a year causing \$2 million damage and the loss of 12,000 lives, Hileman said.

The biggest cause of fire is electrical, the second being cigarettes. Fire extinguishers and their purpose were demonstrated.

Mrs. Shable reported the Council Physical fitness runoffs will be held on Oct. 5 with registration to begin at 8 a.m. at SUE. The winning names from each unit should be turned into the Council Service Center by Sept. 26.

The meeting closed with the reading of "The Door" by John Schrader.

Massive investigation in St. Clair County provides helpful perspective on the long effort to separate Quad-Cities from East Side Levee District

Madison County is not involved but there is local interest in Tuesday's federal grand jury subpoena distribution because of the massive scope of the investigation and its implications on how public business is conducted in some areas of nearby St. Clair County.

More than 100 Federal Bureau of Investigation agents simultaneously visited city halls and school administrative offices as well as contracting firms, the latter located in East St. Louis, Cahokia, Belleville, Brooklyn, St. Louis and St. Louis County. Purpose of the unannounced sweep was to prevent the word from spreading, which could have hampered questioning and perhaps have limited the availability of needed financial records. Over 50 individuals and 39 businesses are on the subpoena list.

What the grand jury will be studying in connection with kickbacks—in all phases of purchases and construction and remodeling projects. Records are sought from the municipalities of East St. Louis, Alorton, Centerville, Cahokia and Brooklyn and the

school districts of Cahokia and East St. Louis.

All parties must be presumed innocent unless convicted. Nevertheless, the big case does heavily involve the St. Clair County vicinity while indicating no Madison County links.

This point seems to bear out past and present concern among Quad-Cities about their community's seven-decade bracketing with the St. Clair County in the East Side Levee and Sanitary District.

The county to the south historically has held majority control of the levee district, and the three St. Clair members of the seven-member levee board are among those to be questioned by the federal jury.

As Quad-Cities have been saying for a long time, the long pattern of levee governmental abuses should extend to local taxpayers to separate from the East St. Louis area in the administration of levee and drainage services. No legislative or referendum reform short of separation can offer a fully adequate remedy.

Visit by Amsted chairman will highlight annual dinner of local Chamber

A large turnout for the annual dinner of Tri-Cities Area Chamber of Commerce members Oct. 10 would be appropriate, in view of the vital work of the Chamber organization and also the high regard in which the guest speaker and his company are held.

The gathering at Granite City High School North will be addressed by Joseph Lanterman, chairman of the board of Amsted Industries. Amsted's divisions includes the American Steel Foundries, which operates manufacturing plants in Granite City, Alliance, Ohio, and East Chicago and Hammond, Ind. The busy Granite City ASF plant produces cast steel side frames and

bolsters for railroad freight cars and is one of the largest foundry operations in the nation.

Along with cast steel freight car components, the division makes steel springs for locomotives, freight cars and earthmoving equipment and also "fifth wheels," the coupler which connects a highway tractor to its trailer.

Amsted and American Steel provide many important products for use throughout the United States and world. The local community proudly plays a major part in this enterprise, and it is pleasant to be able to welcome Chairman Lanterman and his associates next month.

allows them to begin building retirement credits at age 25, with up to three years' retroactive credit if they began working with the same company at age 25.

For older workers, their fear of seeing their dreams of secure retirement benefits evaporate through the loss of company-sponsored plans is erased.

As for those 40 million workers who must be included in the plan, the Congress has greatly liberalized do-it-yourself retirement plans.

For older workers, their fear of seeing their dreams of secure retirement benefits evaporate through the loss of company-sponsored plans is erased.

Young candidate is a problem-solver

To the Editor:

Nineteen seventy-four is definitely the year for Madison County Board District 26 to "clean house" in selecting a County Board member.

It is time for the people to carefully consider the candidates for the office. It is my opinion that Mike Briggs is the most outstanding candidate for the position.

He has carefully watched the political and social issues confronting District 26.

Mike, 26, is a young, strong candidate with new, practical and economical ideas for solving the most pressing problems of the area.

He is a man with a family and the responsibility to hold their respect. He wishes to display his proposals during his campaign so that he may gain the respect of the people of District 26.

Mike is an independent candidate. He is not supported financially by any party; he

owes political favors to no one. He is a concerned citizen who is dissatisfied with a shabby government run by political gluttons and tyrants.

Mike Briggs believes the people deserve more answers from, and a closer view of, county government. He truly is the "people's candidate" for County Board member in District 26.

Opposes depth of lot for restaurant

To the Editor:

In reference to your editorial in the Sept. 16 Press-Record discussing "democracy in action," you never stated that it was the people who are neighbors

that were opposed to rezoning the property on the corner of Nameoki Road and Cottage Avenue and Nameoki Road. We have a petition which was signed by 58 neighbors, not competitors.

We are not opposed to Den-

ny's building in Granite City. Our alderman, Ronald Coleman, made this statement at the council meeting on Monday night and we concur with him.

We are not opposed to rezoning the property on the corner of Nameoki Road and Cottage. What we do oppose is the rezoning of the property on Cottage.

None of the businesses along Nameoki Road have gone

farther back than 127 feet, 6 inches. This is the depth of all the lots facing Nameoki Road.

We refer to some competitors as being opposed to Denny's. We who signed the petition are not competitors but residents of the neighborhood. Why don't you come out and let us show you what we are opposed to and get all the facts.

RALPH A. MOKKEN
1521 Cottage Ave.
St. Louis, Mo. 63114

Do price hikes reach public too fast?

To the Editor:

We have heard a lot lately about the methods used by large companies to increase profits at the expense of the consumer.

We are bombarded daily with figures quoting the rise in the cost of living, in everything from raw materials for manufacturing to food and clothing for our families.

There is now in use, in nearly every supermarket, one practice which seems to me places an extra burden on the consumer.

I do not have a complete understanding of the concepts of market wholesale buying; yet, the basic idea seems clear enough.

A store owner or manager buys a shipment of a product—soap powder, sugar, cereal, coffee or whatever—from a wholesaler. He places the item on his shelf for sale at a price

designed to give him a fair profit for his product, based on the price he paid for it.

If, when he buys a new shipment, he finds a price raise from the wholesaler, the consumer can expect to see that rise reflected when the item is placed on the shelf for sale.

I can see no reasonable explanation, however, for removing an item from the shelf which has already been priced to show a profit, based on the original cost and marking it up to reflect the new wholesale cost.

We assume that this shipment has been paid for by the store, and that those already purchased at the lower price have been making a profit.

When a wholesale price goes up, does the manager have to make up the difference for previous shipments which are

already on his shelf, part of which have been sold? I don't think so.

What, then, is the justification for the mark-up of prices of leftovers from the previous shipment? There is none, except a flagrant fleecing of customers.

Take a walk through any large market in the area and see how many items you can find with two, three or more prices marked out and new ones stamped over them.

Watch the young men in the aisles with their marking pens and price stampers, changing prices of items on the shelf.

If the owner or manager of any kind of store can give me any explanation for this practice, I would certainly invite his reply.

Research to utilize coal is essential

To the Editor:

Federal tax incentives "to encourage industry investment in costly energy-saving equipment and buildings must be enacted if the nation is to meet its fuel needs in the next decade.

Federal funds are needed to encourage coal research, and the government should adopt technically feasible and economically reasonable environmental control standards.

The continued and expanded development of coal reserves and nuclear power in Illinois and the nation is of paramount importance if the U.S. is to achieve energy independence in the 1980s or even later in the century.

Coal and nuclear power are the two key pieces in the Project Independence puzzle. And the nation should look to Illinois as

a proven leader in the development of both these energy sources.

Any significant degree of energy independence hinges on full utilization of the nation's coal reserves, which make up 80 per cent of the country's total energy supply.

Presently, coal represents only 17 per cent of total fuel consumption, while natural gas and fuel oils total about 80 per cent.

Gas and oil supplies are far less than coal deposits, and their size is dwindling each year. Consumption patterns must be altered; we must rely more on coal and less on the declining natural gas and oil reserves.

I would like to see you and your company to make things just a little bit better for other people.

Here is something to think about. If people ever feel

problems, since Illinois leads the nation in accessible coal reserves.

Substituting Western coal for present high-sulfur supplies would not increase total coal available at a time when full use of energy supplies is essential.

I predict severe unemployment in the Southern Illinois coal industry if continued low-sulfur fuels is made mandatory.

The energy industries can meet the nation's needs if given the realistic economic climate. We must balance our energy and economic needs with environmental demands.

RAYMOND J. BODNAR
Environmental Affairs Manager
Illinois State Chamber of Commerce

Paper next best to being at home

To the Editor:

I would like to take this time to express my sincere thanks to you and your company and all the personnel involved, with sending the paper to my family and me in Norfolk, Virginia.

I just received the first copy today. It really makes a person feel good to know that there are actually still some people left in the world who take the time and consideration to think of other

people.

I am stationed on the U.S.S. Vulcan (AR-5), homeported in Norfolk, and it is rather hard for my family to come home. We have the next best thing—the paper.

Like I said, I really am glad there are people like you and your company to make things just a little bit better for other people.

depressed about Granite City, stop by Virginia and then they will realize what a great place Granite really is.

I can say for sure that I really miss our home and we are really looking forward to returning home for good.

BRUCE A. MANNING

Port development planning is revised

Following is the revised text of a memorandum of agreement between the East-West Gateway Coordinating Council, this region's planning coordinating body, and the Bi-State Development Agency, an authority with powers to operate facilities.

The document outlines steps for continued planning in the field of port development.

The council is a corporation organized and existing under and by virtue of the Missouri general not-for-profit law and is duly qualified to do business in the states of Missouri and Illinois.

Said Council was established for the purpose of carrying out the continuing comprehensive planning process for the St. Louis metropolitan area.

The Council recognizes the importance of a comprehensive regional port planning process.

The Agency is a governmental agency established by interstate compact between the states of Missouri and Illinois, and said compact was approved by the Congress of the United States.

The Council desires to have the Agency act as the coordinating agency for development of the Port of Metropolitan St. Louis.

Upon request of federal, state, or local governments or port authorities or districts, the Agency will prepare and assist in port development and processing of applications for federal funds for individual port authorities and districts in the bi-state region.

There are other port agencies in the region, including Tri-City, Southwest, Kaskaskia, City of St. Louis and St. Charles County—in being and proposed which will be responsible for implementation of the regional port plan within their own jurisdictions.

The Phase I study of the Port of Metropolitan St. Louis, conducted by the A. T. Kearney, Inc., management consultants under the auspices of the Council recommended consideration of the establishment of a regional port organization to coordinate the study recommendations necessary to enhance the economy and operation of the Port of Metropolitan St. Louis.

The Council's board of directors on April 24, 1974, recognized that the establishment of a regional coordinating agency is of paramount importance.

The Council's board of directors directed its chairman to meet with the Agency to effect a relationship for the establishment of the Agency's role in the development of a program for the Port of Metropolitan St. Louis.

Whereas this memorandum of understanding is executed by the parties hereto for the purpose of establishing a cooperative relationship between the Council and Agency in order to enhance port development with the metropolitan St. Louis area for the express purpose of going forward with Phase II of the Kearney Company port study.

Now, therefore, the parties in consideration of the promises and premises herein stated agree as follows:

1. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

2. Coordination of plans and recommendations approved by the Council for the development of the Port of Metropolitan St. Louis, recognizing that each port authority within the bi-state region and assisting other Port Authorities and Districts in processing applications for federal funds.

3. Coordination of the implementation of plans and recommendations approved by the Council for the development of the Port of Metropolitan St. Louis, recognizing that each port authority within the bi-state region and assisting other Port Authorities and Districts in processing applications for federal funds.

4. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

5. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

6. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

7. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

8. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

9. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

10. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

11. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

12. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

13. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

14. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

15. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

16. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

ARTICLE I RESPONSIBILITIES

The Council under the terms and conditions of this memorandum of understanding shall have the following responsibilities:

1. Preparation of a Regional Port Development Plan which shall include the following:

a. Coordination with the existing Port Task Force and the Agency and the individual Port Authorities and Districts in the bi-state region during the preparation of the Regional Port Development Plan.

b. Provision of necessary road and/or rail access, and support services such as power, sewage, water, etc.

c. Preparation of existing land use inventory of the regional ports, including land use transportation, access utilities, etc.

d. Identification of areas suitable for additional barge fleetings.

e. Identification of areas suitable for recreational use.

f. Preparation of a topographic map to determine the physical constraints to future industrial development.

g. Identification of potential waterside development areas.

ARTICLE II RESPONSIBILITIES OF THE AGENCY

The Agency under the terms and conditions of this memorandum of understanding shall have the following responsibilities:

1. Coordination with the Council and the Port Development Task Force and the other Port Districts or Port Authorities, in being or hereafter created, within the bi-state region in preparation of the Regional Port Development Plan and other Phase II activities.

2. Provision of assistance to other Port Authorities and Districts in their efforts to implement the Regional Port Development Plan or any plan applicable to and developed by any Port Authority, or Districts within the bi-state region and assisting other Port Authorities and Districts in processing applications for federal funds.

3. Coordination of the implementation of plans and recommendations approved by the Council for the development of the Port of Metropolitan St. Louis, recognizing that each port authority within the bi-state region and assisting other Port Authorities and Districts in processing applications for federal funds.

4. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

5. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

6. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

7. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

8. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

9. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

10. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

11. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

12. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

13. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

14. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

15. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

16. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

17. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

18. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

19. Coordination with the St. Louis Regional Commerce and Growth Association (RCGA) in promotional activities associated with the development of the Port of Metropolitan St. Louis.

A letter from home

Lone eagle

A little corner of me died late this summer when Charles A. Lindbergh, 72, the "Lone Eagle," was buried on a remote corner of the island of Maui, south-east of Honolulu.

I can't remember his nonstop flight to Paris in 1927, but I grew up hearing so much about "Lucky Lindy" that I almost felt like an eye-witness to his 33½ hour solo trip across the Atlantic.

I was intrigued with the stark simplicity of his funeral. Less than eight hours after Lindy's death, he was buried in a plain coffin, made of eucalyptus wood by cowboy neighbors from nearby ranches. The few mourners, also dressed in work clothes, watched silently as a bulldozer covered his grave.

No expensive grave clothes. No ornate vault or casket. No long lines of friends at a public visitation in a funeral home. But that's the way Gen. Lindbergh wanted it. "Knowing you're going to die within a few days is an unnerving experience," said Dr. Milton M. Howell, his personal physician. "But it gave the general time to fulfill his last wishes."

Dr. Lindbergh conceived and planned his historic flight while flying the night mail between St. Louis and Chicago. Then with the backing of a St. Louis group, he supervised construction of "The Spirit of St. Louis," the radically-designed Ryan plane that catapulted him to fame.

Since I live in Springfield, near or over which he flew the mail from St. Louis to Chicago, I like to look back on the night he left St. Louis. Maybe near this Central Illinois city was where he first caught his vision.

And when a man has a vision, whether it's in Springfield or Sugar Creek, who says he needs an ostentatious funeral? Our deeds should always overshadow our deaths.

Funding plan for Nameoki Town Hall work, drainage of Parkview, Harrison, Barnhart

A survey of Nameoki Township funds, conducted by Township Supervisor Louis Whitsell, has indicated that sufficient funds are available for expanding and improving the Town Hall and for three proposed drainage programs, it was disclosed this week.

The Town Board is to meet Monday night to discuss the programs.

In a letter to the town auditors, Whitsell disclosed a tight financial picture, but predicted that all the above projects can be completed without the township having to borrow.

The tightest financial pinch is for drainage, where the estimated total for drainage of Parkview Estates, Harrison Avenue and the Barnhart Subdivision is \$50,202, compared to estimated funds available for drainage of \$40,042, leaving \$10,160 for cost overruns or low estimates.

Another \$1,050 is available from an estimate higher than the contract for Harrison Avenue drainage.

Town hall improvements will cost about \$63,400, of which \$48,945 is to be available before March 1, 1975, the end of

the fiscal year. This leaves \$14,455 to be appropriated for the 1975-76 fiscal year to complete payments on the Town Hall.

Whitsell's estimates of the costs of drainage programs include \$40,700 for Parkview Estates program, \$10,000 for Harrison Avenue, \$5,000 for the Barnhart Subdivision (a rough estimate by Whitsell), and \$3,500 for engineering.

Funds available for drainage include \$8,842 in surplus town funds, \$27,200 in federal revenue sharing for health programs, \$4,300 from the town fund for engineering appropriation, \$7,500 appropriated for Route 203 drainage-in the road and bridge fund, and \$12,000 from the highway department's share of the Parkview Estates drainage.

In his letter to the board of auditors, Whitsell emphasized, "The township and the highway department need to work jointly in solving all of the internal drainage problems."

"Those mentioned above could be finished from this year's budget. Next year's budgets could reflect additional

improvements." Some observers have questioned whether past political differences between Whitsell and Highway Commissioner Albert Bell may complicate programs needing cooperation between the two departments.

Whitsell urged the auditors to support the Town Hall improvement program and to accept a bid from Carl Mick General Contractor, Edwards-

ville, of \$83,400 for the work. Available this fiscal year for the project are \$35,000 in federal revenue sharing, \$10,245 from the town funds, \$2,400 which will be received in rent payments from the township and highway department and \$1,200 rental from the general assistance office.

The estimated total for this fiscal year is \$48,945, leaving \$14,455 to be appropriated in the next fiscal year.

Estimated funds which would have to be appropriated March 1, 1975, for the 1975-76 fiscal year would include \$10,000 from the town fund for building improvements, \$3,500 in rent from the township, general assistance and highway department, \$500 in building maintenance funds and \$335 from revenue sharing, a total of \$14,455.

Reservation deadline set

The deadline for reservations for the Unihav (Quad-Cities) District explorer campout at Camp Sunnen is 5 p.m. Monday, according to Dr. Jack Miller, district explorer chairman.

The first district explorer campout, called a "trainoree," is scheduled for Sept. 27, 28 and 29 and will be open to all explorer post members in the area.

An advance registration fee of 75 cents is being charged and each post will be responsible for its own tentage, food and transportation.

On Friday evening, after everyone has set up camp, a campfire will be held with discussions on what the explorer program is about.

The next morning, three discussion sessions will be held; duties of post members, ideas on post activities and implementation of ideas for activities.

Phil Daniels, associate advisor of Post 10-4 and waterfront director in the summer at Camp Sunnen, will hold a canoe clinic Saturday afternoon for those who want to attend. In order for a post to use the council-owned canoes, their members must have attended canoe clinic either in town or at camp.

"An explorer post is only as strong as the membership wants it to be and is willing to work at it. We hope that every member attending will return with a desire to make his post

number one," Dr. Miller emphasized.

The officers of the post are important and so is the adult leadership, but what really makes a post fly is the general membership. We are going to have a lot of fun, but we hope to get a message across to the explorers that when you are 16, 17 and 18 years of age you are old enough to accept responsibility for making things happen."

Little Miss talent contest Nov. 23

The Little Miss Nationwide Talent Contest will present the Little Miss Illinois Talent Contest at the Holiday Inn in LaSalle, Ill. on Nov. 23.

Young ladies who are 5 years old by Jan. 1, 1975, and no older than 12 by July 1, 1975, and a resident of the state, are eligible to participate in the competition.

Judging will be based on talent and artistic ability, 75 per cent, and on poise, personality, and appearance, 25 per cent in any of the following categories: dancing, baton, vocal, instrumental, and variety talent.

Applications may be obtained by sending a self-addressed envelope to the Certification and Public Relations Office, Little Miss Illinois Talent Contest, P. O. Box 406, Rockton, Ill. 61072.

Promotion for Thurau

United Leasing Corp. is announcing the promotion of Herbert T. Thurau, a former resident of Granite City, to the position of regional manager of its Charlotte, N.C., office.

A 1938 graduate of Granite City High School, he obtained a bachelor of science degree at Culver-Stockton College in 1962 and a master of business administration degree at Washington University in 1964.

Thurau served in the Navy from 1964 to 1967.

After a short time with Caterpillar Tractor Co., he moved to Charlotte and held successive sales positions with Monsanto, Xerox and the XEC Corp.

He joined United Leasing in December 1973 and assumed his new responsibilities on Sept. 1, 1974.

Thurau's parents, Mr. and Mrs. Herbert E. Thurau, reside at 2209 Waterman Ave., in Granite City.

STEAL PLUMBING

The copper plumbing was stolen from a vacant building at 2010 Washington Ave., and the water was allowed to run, flooding the basement. It was reported this week by Evelyn Miles, 2614 Grand Ave., the owner.

Gene Roberts party honorees

Mr. and Mrs. Gene Roberts, 3145 Davis Ave., were honored on their 25th wedding anniversary this week at a party hosted by their children, Carol, Tom and Diane Roberts. The honorees were married on Sept. 10, 1949, at Sacred Heart Catholic Church by the late Rt. Rev. Msgr. Michael Costello.

JayceeEttles plan project

The JayceeEttles finalized arrangements for a booth to be operated during Charity Days at Nameoki Village Shopping Center at the club's September meeting in the home of Mrs. Linda Holtgrave during the weekend.

A clothing party is planned for next month's meeting to be hosted by Mrs. Wanda Hill. Mrs. Linda Weible donated a "homemade" article which was won by Mrs. Sharon Cooper.

After the business discussions, games were played and refreshments served by the hostess.

Others present were Lucille Delay, Pat Aleman, Nancy Krause, Peggy Hoffman, Emaleene Meador, Carolyn Jones, Janis Weible and Cheryl Gann.

and Mrs. Vincent Germanese and daughters Frances and Julie of Creve Coeur, Mo., Mr. and Mrs. Ben Eason of St. Louis, Mr. and Mrs. Nick Hamilos, Mrs. Catherine Matelski and Joe Jaros of Edwardsville, Mr. and Mrs. Clarence Missey of Glen Carbon.

Local guests included Mr. and Mrs. Arthur Lombardi, Mrs. Henry George, the Rev. Edwin Groesch, Mrs. Bruce Mort and daughters Paula and Chrystie, Mrs. Debbie Bridgeman, Mr. and Mrs. James Parker and children Jimmy and Elizabeth, Mr. and Mrs. Chris Hamilos and children David and Karen, Mr. and Mrs. Mike Lombardi and children Jimmy, Leah, Shelly and Suzanne, Mr. and Mrs. Robert Lombardi and children, Dina Robbie, Megan and Joey, Mrs. Arthur Jones, Bill Goetting, Mr. and Mrs. Lawrence Jaros, Mr. and Mrs. John Jaros, Mr. and Mrs. William Baldasare, Mr. and Mrs. Angelo Hamilos, Mr. and Mrs. Marcus Voegel, James Chomko, Mrs. Joseph Seibert and Jim Schroeder.

Registration this weekend

Four special voter registration periods will be conducted during the weekend to register new voters for the Nov. 5 general election. The registrations are being taken by deputy registrars of the office of County Clerk Eulalia Tote. The registration centers will be open this week at the Granite City Trust & Savings Bank from

4 to 7 p.m. Friday and at Cohen's Foods, 2301 Illinois Ave., from noon to 5 p.m. Saturday. In Madison registrations will be taken at the First National Bank in Madison from 9 a.m. to 3 p.m. Friday, and in Venice voters may register at the Solo Bank grocery, 1104 Logan St., from 10 a.m. to 5 p.m. Saturday.

Pardon issue hurts state GOP outlook

By KEN WATSON
Press-Record
Springfield Bureau
Once more, Illinois Republicans are flat on their backs on the political mat. President Gerald Ford's granting of a complete pardon to former President Richard M.

Nixon has dealt a body blow to what were growing hopes of a resurgence of GOP strength that might have peaked on election day in November. But now the Watergate shadow is back bigger than ever. Republicans in this state,

where the independent vote is always decisive, find themselves again saddled by a President who, like his predecessor, appears to be riding the political rollercoaster from high to low popularity. The Ford decision on Nixon has a special impact on Illinois

because of the situation concerning former Democratic Gov. Otto Kerner. Despite his conviction in the race stock case, Kerner has retained an amazing amount of the high personal popularity he enjoyed as governor.

Now this appears to be kindling a deep wave of sympathy for him. Why, one hears repeatedly in this capital city, should Kerner remain in a federal prison while Nixon is spared any prosecution for possible misconduct in the presidency?

Kerner, who was 66 last month, charged repeatedly during the course of investigation, his trial and afterwards that he was made a special target of federal prosecutors at the instance of Nixon because of Kerner's political efforts against Nixon, most specifically the close 1960 presidential election in this state.

Few have taken the charges seriously in the past, but now things have changed. A Republican president has pardoned his Republican predecessor. The Democratic governor of a major state, prosecuted by a Republican national administration, continues to languish in prison.

Some Illinois Republican candidates would welcome an early federal release from prison for Kerner. With a new wave of in-

ignation about Watergate rising across the land, they fear that Illinois voters might make the target of a statewide anti-Nixon, anti-Ford, pro-Kerner protest in November. An early release of former Gov. Kerner might take some of the heat off, it is contended.

Right now, statewide GOP prospects are as bleak as they were last winter when it was proving next to impossible to persuade a strong candidate to run against popular Democratic incumbent U. S. Sen. Adlai E. Stevenson.

Now Stevenson is rated as stronger than ever, with little hope held for the relatively unknown GOP challenger, George Burditt. In the Congressional races, it is once again "every man for himself," with Republican candidates trying once more to remove themselves as far as possible from the Watergate matter.

Democrats are again confident that they can reverse the current 14 to 10 Republican edge in the Illinois Congressional delegation. Republicans, who had regained some hope of holding onto control of the legislature, are now about ready to concede the Illinois House to the Democrats and are becoming increasingly pessimistic about holding onto the Illinois Senate.

The GOP currently holds a one-vote edge in each. About the only Illinois Republicans who are pleased by the Ford decision are supporters of U. S. Senator Charles

GRANITE CITY PRESS-RECORD
Thurs., Sept. 19, 1974 Page 36

Air Force offers 125 job options

"The Air Force's six-year enlistment option for new members has been expanded to include more than 125 job specialties in all areas of enlistment," according to Sergeant George Habbert, Quad-City Air Force Recruiter. The six-year enlistment was implemented in September 1971 as an effective way to guarantee well-qualified new members their choice of highly desirable technical training in exchange for the longer enlistment.

Promotion to Airman first class (E-3) from Airman Basic (E-1) upon completion of basic military training is another advantage of the six-year enlistment. Current salary for an Airman First Class is \$377.70 per month plus room and board and the full range of many other military fringe benefits.

High School seniors who would like more information about a six-year enlistment upon graduation with guaranteed training may contact Sergeant Habbert, 1204 Niedringhaus Avenue, Granite City, 62040, or phone 876-5225.

H. Percy.

They reason that it is no longer certain now that Ford will be the party's candidate in 1976, and that Percy would be an attractive alternative.

Brown, 2769 rear Washington.

UNIWAH CHAPTER OFFICERS of the Cahokia Lodge, Order of the Arrow, were elected and installed during the weekend at Camp Sunnen near Potosi, Mo. Left to right are: Tom Sawyer, chapter secretary; Forest Crawford, vice-chief, and Bryant Snee, chapter chief, being congratulated by Dale Potter, chapter lay advisor.

Madison school advisory group has first meet

The first meeting of the school year of the citizens Advisory Committee of the Madison School District was held last week in the office of Superintendent John Falchiff.

New members, Richard Corbin, principal of the high school, and Robert Barnhart, principal of the high school, were introduced by Supt. Falchiff. Charles Slepote, counselor at the High School and director of the BAC Extension Center in Madison, gave a report on the number of students and Junior College classes now being held at the High School.

Mrs. Dolores Folkerts, counselor of the High School gave a report on the Student Advisory Committee and the National College of Education, Evanston. Mrs. Folkerts is a program training planner for the Equal Educational Opportunity Department affiliated with the college.

The meeting was concluded with a demonstration of new audio-visual equipment by Wade James, assistant superintendent. Lay members present were: Jean Boyer, Barbara Madison, Betty McCunney, Donna Thomas, Donna Woodward and Robert Noud. The professional members of the committee present in addition to those mentioned above were: Arthur Carter, Earl McClellan, Bernard Long, Richard Spillers, Robert Barnhart, Porter Cawly, Marguerite Conzole, Sister Brunette, and the Rev. Frank Christ.

ville; Wanda Stavley, Rural Route 1, Box 407; Ruby Thebeau, St. Louis; Jerrie Naeve, 4033 Gaslight Walk; Edith Boyer, 1517 Fourth, Madison; Ruth Ann McKean, Florissant, Mo.; Charles W. Brown, 2769 rear Washington.

Two receive Vigil Honor, Kearns new Arrow chief

Kevin Kearns, 17, son of Mr. and Mrs. William R. Kearns, 2336 E. 24th St., received a double honor during the weekend at Camp Sunnen when he received the Vigil Honor and was elected Chief of the Cahokia Lodge, Order of the Arrow.

Reginald Mennerick, council camping chairman and lodge lay advisor, also received the Vigil honor, a national award presented for outstanding service by an Arrow member to his local scout unit, his community and the scouting program in general.

The Order of the Arrow is a national brotherhood of honor campers and dedicated to serve to others and the camping program within the Boy Scouts of America.

Kearns, a senior at Granite City High School South, has been active in scouting since a Cub Scout. He earned his Webelos in Pack 20 sponsored by the Webster School PTA, and then became a Life scout in Troop 20.

Kearns currently is secretary of Explorer Post 10-4 sponsored by the Madison Police Department and Lions clubs and has been active in Exploring for the past three years.

The young chief was inducted into the Arrow in July 1970 and has served as lodge secretary the past year. Previously he was the Uniwah (Quad-Cities) Chapter chief. He also has served as camp promotion chairman on both a chapter and lodge level. Kearns has served

as chairman of the unit elections committee, annual banquet committee and convalescence chairman.

At GCHS South he is a member of the debate team and science club and will appear in the school's homecoming play.

Mennerick, who also received the Vigil honor, is serving as Scoutmaster of Boy Scout Troop 35, sponsored by the Old Fellows Lodge, is chairman of the Cahokia Mound Council Camping Committee, the executive board of the council and is lay advisor of the Cahokia Lodge, Order of the Arrow.

Mennerick was inducted into the Arrow in 1947 as a member of the Blackhawk Lodge of Alton and was elevated to Brotherhood in the Blackhawk Lodge in 1949.

He previously served as Uniwah chapter advisor and adult advisor to the lodge membership committee.

He holds the Scouter's Key and organized a council wide high adventure trip this past summer to Philmont Scout Ranch in New Mexico.

Elected and installed as lodge officers in addition to Chief Kearns were: Bob Dixon of Venice, lodge vice-chief; Bruce Rotter of Granite City, lodge secretary, and Kevin Wiese, Highland, treasurer.

Chapter officers for Uniwah also elected and installed are: Bryant Snee, chapter chief; Forest Crawford, chapter vice-chief, and Tom Sawyer, chapter secretary.

NEW CHIEF OF THE CAHOKIA LODGE, Order of the Arrow, Kevin Kearns, 17, third from left, receives the symbol of his office from retiring Chief Mike Bibbey of Venice. Left to right are Reginald Mennerick, council camping chairman and lay advisor to the lodge; Bibbey, Kearns, Mike Dixon of Venice, elected lodge vice-chief; Bruce Rotter, new lodge secretary, and Kevin Wiese of

Highland, Lodge treasurer. The new officers were elected at Camp Sunnen near Potosi, Mo., at the annual fall convocation. The Arrow is a national brotherhood of honor campers within the Boy Scouts of America. Mennerick and Kearns received the Vigil Honor, highest award presented in the Arrow.

Film Festival extended

The Summer Film Children's Film Festival presented at the Granite City Public Library has been so well received that requests to continue the program through the winter months have prompted a new schedule for pre-school and elementary age children.

The winter festival will be under the direction of Mrs. Rose Bone and Mrs. Carole Canady. Films will be oriented primarily for two age groups, pre-school and elementary age children. The films will be shown on Tuesdays at 10 a.m. for pre-schoolers and Saturdays at 2 p.m. for elementary age children. They will be shown one time a month for each age group.

These films are being presented for the pleasure of the children, Mrs. Bone reported. "We want them to use and enjoy their library. Along with the film festival, we are planning to initiate hobby clubs. Interested persons may contact the Children's Department in regard to this program (676-6550).

"Since there are few organized programs for pre-schoolers, we felt the library should initiate one. Children are never too young to learn a love for books, and we want them to

remember pleasant experiences at the library," Mrs. Bone said.

The schedule includes: Pre-school, Oct. 15, The Haunted Mill; Nov. 19, Crane's magic gift; December—Special program.

Jan. 21, Tom Thumb in King Arthur's Court; Feb. 18, Rumpelstiltskin; March 18, Peter and the Wolf; April 15, Emperor's New Clothes.

Many requests for the film festival to continue for elementary age children have been received. Since Saturday is the best day for the children, film will be shown at 2 p.m. one Saturday each month, Mrs. Bone announced.

Films will include: Elementary Age, Saturday 2 p.m., Sept. 21, The Golden Age of Automobiles; Oct. 19, Halloween Special, Dracula and Bride of Frankenstein; Nov. 16, The light kindled here (Pilgrims); December, Special program; Jan. 18, Lewis & Clark at the Great Divide; Feb. 15, Meet Mr. Lincoln; March 15, Indians of Early America; April 19, Johnny Tremain.

The December program will be a special event with a Punch and Judy puppet show, and a visit from Santa. The time and place will be announced later.

ESTABLISHING OBJECTIVES at an inservice training session at Emerson School for teachers and principals in the Granite City School system. In preparation for a workshop on Nov. 4. Highlighting the workshop will be plans for parent-teacher conferences to create better communications between the school and home. Left to right are Jack Mulach, Maryville principal; Warren Collins, Logan principal; Floyd Clay, Logan; Mrs. Mary Moran, McKinley; Mrs. Pat Hewlett, Maryville; Mrs. Nancy Weber, Johnson; Mrs. Sue Grable, Lake; Mrs. Sandy DeMoulin, Parkway; Mrs. Virginia Oram, Wilson and Mrs. Nancy Rainier, Frohardt.

TEACHERS PLANNING SESSION conducted last week at the Granite City Board of Education Office with teachers and school principals discussing new means of communication between the school and home. Guidelines for a parent-teacher conferences in relation to the students progress each term also were discussed. Left to right (clockwise), Mrs. Linda Irwin, Lake School; Mrs. Merna Musterman, Frohardt; Mrs. Agnes Fryntzko, Parkway principal; Arthur Menendez, Mitchell principal; Mrs. Sandra Hubbart, Johnson; Mrs. Carolyn Smallwood, Niedringhaus, and Philip L. Smith, McKinley.

2 allege their rights were abridged in jail

Two former Madison County Jail detainees have filed a joint suit against Madison County officials and Sheriff John Maeras, alleging their civil rights were abridged while in jail.

The suit, filed by Ronnie Ingram, 17, of the 2800 block of Edgewood Ave., and Wade Edsall, Caseyville, has been filed at the Federal Court, Southern District, at Alton, they said.

The men allege they were denied their rights to medical treatment, freedom of religion, access to a law library, privacy in the mails, fair treatment on the setting of bond, and the right to have an attorney present during questioning.

Ingram was arrested May 22 on the felony charge of deviate sexual assault, later changed to a misdemeanor charge of taking indecent liberties with a child. He was released in July. Both allege that their mail,

incoming and outgoing, was opened and censored. Neither received medical attention, despite an illness Ingram had contracted in jail, they allege.

Ingram's requests for an attorney during questioning every Saturday and Edsall's demand for meetings with representatives of the news media also were denied, they charge.

Ingram alleges he was denied requests to see a priest, and Edsall says his requests to see a lawyer to dismiss the case were repeatedly denied.

The Madison County State's Attorney's office has filed a motion to dismiss the case. Ingram and Edsall have filed a counter-motion to dismiss the state's attorney's request and to seek clarification of records on the case.

"They are asking the court to appoint them counsel under the paupers' act and have requested that a Belleville attorney be appointed."

The two seek a total of \$87,500 from Maeras, the chief jailer and the County Board.

Honored for long service

Carpenter's Local 633 of Granite City honored its members with 35 or more years of service.

The apprentices decorated the District Council Hall and provided a large cake congratulating the men. Those honored were:

Aden L. Boone, Ray Flinn, J. C. Harp, John Hufford, Dean Lee, Milton Neblett, Ivor Paavola, Seigle G. Weir, Irving Dick, Charles Burk, Gerald Greider, George C. Heely, Ed Hunt, Roy Link.

Frank Ortman, William H. Thomas, George S. Wolfe Sr., Clarence Ready, Herndon Delany, John Hagan, Carl Hodson, G. W. Lane, Terry McGovern, N. C. Outland, L. C. Wallace Sr., M. H. Wolfe.

Each man was given a gift on behalf of the local for his years of service. Those unable to attend the meeting will receive their gift at a later date. The evening was concluded with refreshments.

Jean for Teens Tops to Top them at MARILYN'S

Originates new service to realtors

A program whereby real estate brokers nationwide may offer services to their clients before and after the sale at no charge is currently being marketed by Interstate Referral System, Inc., of St. Louis, throughout the nation.

Its originator is John Sobol, owner of John Sobol Realty of Granite City. Tom Malone, president of Interstate Referral Systems, announced that preliminary acceptance of the new concept in test markets in Granite City, Alton, Peoria and Springfield, Ill., as well as St. Charles, Mo., and Boston, Mass., has caused the company to create a separate division.

Interstate provides proven marketing techniques to the real estate industry. "Sobol's concept is copyrighted and trademarked under the name 'Preferred Home Owner's Service.' Essentially, it establishes a continuing professional relationship between a real estate broker and homeowner with the broker providing such no charge services as (1) annual written estimate of market value (2) professional and consultation (3) notary work and valuable paper reproduction and (4) up to \$1,000 commission reduction

in case of accidental death. In exchange for these benefits, the owners agree to list the home with the broker if they intend to use a broker when they sell.

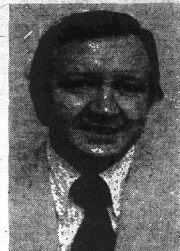

"This business retention idea is the long awaited 'aspirin' for the independent real estate broker in the United States," Malone said.

"We are actually sold out of our initial broker service kits, but we expect that a minimum of 1,000 brokers a year will subscribe. The service costs the broker less than one cent per day per client."

"This is definitely the best innovation to enter the real estate industry since client referral services, the telephone or Multiple Listing Services."

"Mr. Sobol is to be commended for the three years he spent in developing this plan. He is certainly one of the most dedicated and talented persons we have ever met. Your community is indeed fortunate that Mr. Sobol has chosen to remain active full time in your local real estate market and accept a royalty as he refused a very rewarding position with our firm to continue his work in Granite City."

Sobol resides with his wife,

JOHN SOBOL

Charlotte, and four children at 1 Janine Court and has been active as a realtor with offices in Granite City since 1955.

Pontoon census up 680

A new U.S. Bureau of the Census survey of Pontoon Beach has shown that 3,128 persons reside in the village, 680 more than were indicated in the 1970 federal census.

The village board during the weekend approved the new census report and ordered it sent to the Bureau of the Census for approval. It was indicated that approval would be automatic, unless the village officials question the results. Officials said they approved the new total.

Rev. Donald Clark, Pastor

BUS TRANSPORTATION—VON RUMFELT 877-8381

Floyd David Moss, village board president, indicated the increase of 680 persons should be reflected in increases in federal revenue sharing and motor fuel tax of about \$7,000 per year. Both are allocated from formulas based on population.

The board authorized payments totaling about \$200 to workers who assisted in taking the survey.

The trustees gave final approval to a \$1,000 payment to Ed Moore Construction Co. after receiving an explanation of work done on a drainage system from the Park Lane area.

A bill from C. D. Peters Construction Co. for installation of a small drainage system between Victoria and Fontainebleau drives in Lakeview Estates was held up pending final inspection by the engineers.

Granite City Dodge submitted the lowest bid of those quoted for a new police car. The \$4,049 bid was held up pending an opinion from the village treasurer whether sufficient federal revenue sharing money is available to make the purchase.

The board met in special session after it was unable to produce a quorum at Thursday night's regularly scheduled meeting.

CONSTITUTION WEEK is proclaimed by Granite City Mayor Paul Schulz, seated, Madison Mayor Mike Sasyk, standing at left, and Venice Mayor William "Mike" Ebersoldt, in the presence of Mrs. Ruth McCarty, regent of the Drusilla Andrews Chapter, Daughters of the American Revolution. The chapter will observe its 50th anniversary in a meeting Saturday at Mrs. McCarty's home.

Proclaim Constitution week

A proclamation setting Tuesday through Monday, Sept. 23, as Constitution Week during which area citizens are urged to observe the anniversary of the signing of the U. S. Constitution, was signed last week by Mayors Paul Schulz of Granite City, Mike Sasyk of Madison and William "Mike" Ebersoldt of Venice.

The proclamation said: "In 1966, at the urging of the National Society, Daughters of the American Revolution, the Congress of the United States of America resolved that the anniversary of the signing of the constitution on Sept. 17, 1787, should be observed annually."

"The 121 chapters in the Illinois Society are again emphasizing the importance of the constitution and the need for having a better knowledge of it."

"This famed document, which created our nation, was established by men, who by their foresight and human wisdom, carved the articles out of their experiences and the understanding of their fellowmen's needs. Grateful and proud, they won their

dream of liberty for their people; a charter to be imperishable for future generations."

"It is then proper for all American citizens to know the validity and strength of the constitution. Now, after 187 years, our major needs are the same as those in colonial days and the American Republic will endure only as long as the ideas and ideals of the men who founded it."

"Cognizant of the necessity of continually striving for the goals outlined in our constitution, Quad-City mayors Paul Schulz, Mike Sasyk and William Ebersoldt, proclaim Sept. 17 through 23, 1974, as constitution week and urge all citizens to participate in the observance."

BURGLARY ON DELMAR

The rear door of the home of William Brummer, 2310 Delmar Ave., was forced open and the house ransacked. It was reported this week. The owner did not know what had been stolen.

NEW CHOUTEAU GARAGE, housing the Chouteau Township Highway Department, which was inspected by the town auditors Saturday. The \$43,273

garage was financed with federal revenue sharing funds. It is located near Old Alton Road on the Interstate 270 access road and behind the Midwest Motel.

Book review—Is man banishing animals?

THE ERRANT ARK, Man's Relationship With Animals; by Philippe Diole; G. P. Putnam's Sons; 328 pages; \$8.95.

Reviewed by
FRANK MACCOMBER

The destinies of men and animals have been linked for millions of years. Sometimes they even have been shared. But now, many are warning that the animal kingdom, subject to the whims of man, is in danger of extinction.

In "The Errant Ark," Diole traces the history of man's relationship with animals—past present and what it should be in the future. He discusses, for example, the earliest link between man and

animals—hunter and hunted, with the roles frequently reversed.

The author deals also with the religious, psychological and even the sexual symbolism of beasts through the ages, then the appearances of the first domestic animals.

Diole, an authority on marine and animal life and coauthor with oceanographic scientist Jacques Yves Cousteau of seven books, warns of what he calls misguided conservation laws and of "false remedies" such as air-polluted game preserves and city zoos.

In his "future" section, Diole proposes what he believes is a healthy new approach—a new contract between man and animals, one that will safeguard the animal domain and save it from extinction.

Cousteau in a foreword recalls that "for two (million) or three million years man depended on animals to feed and clothe him, to sharpen his abilities, to develop his intelligence."

"Today it is the animal which depends on man. To all appearances, animals no longer serve a useful function in human life. There is some doubt that there even will be room for animals on the earth of the future."

But appearances are deceiving, Cousteau warns.

"It is Philippe Diole's thesis in this book that man still has an essential need for animals," he writes. "In 30 years there will be seven (billion) to eight billion human beings on this planet. The rivers will be polluted, the forests devastated, the seas poisoned, the air unbearable. Man will be doomed. Doomed, that is, unless he has the will to allow animals to survive, free, in their natural state, in their primitive purity."

"For to preserve animal life," Cousteau concludes, "is to preserve the environment; and to preserve the environment is to preserve mankind."

"The Errant Ark" is a deep-

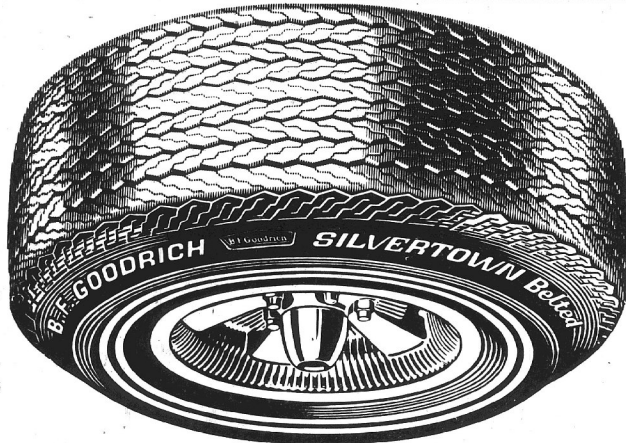

searching and at times disturbing book.

It seems, through tracing man's relationship with animals, to teach a lesson on the meaning of life, and what life is about to become if man continues to push animals off the earth.

If you think the ecologists and environmentalists are going too far with some of their warnings of dire things to come, you may not agree with all of Diole's findings. But whether you are an animal lover or can't even stand the sight of a cat around, you should gather some new understanding of what the animal kingdom is all about and its inevitable link with man.

Article 9.02 of the Rules & Regulations to Govern the Administration and Operation of Special Education requires that each school district is to conduct an annual registration of all three year old exceptional children and any other exceptional children who have not previously been registered by the public schools in Granite City District 9, Madison District 12, or Venice District 3.

If you have, or know, of any exceptional children not registered, ages three to twenty-one, please have them enroll in your neighborhood school and request services, or contact the Region I Special Education District, 2801 Madison Avenue, Granite City, Illinois. Telephone 876-4900.

SIUE plans graduate emphasis; evening law school is proposed

Southern Illinois University at Edwardsville envisions continued emphasis on the development of upper level undergraduate and graduate programs—particularly in new academic specialties.

A mission and scope statement presented Monday at a conference sponsored by the Illinois Board of Higher Education outlined what SIUE officials see ahead.

The conference was the first of three set by the BHE to give citizens a chance to express their views on the development of a revised phase of the Illinois master plan for higher education.

The SIUE statement says the university also wants to strengthen existing academic programs it offers in professional fields, and to develop new programs in areas where clear educational needs are identified and where faculty competence and university resources can justify them.

Undergraduate programs will be directed more and more to meeting urban needs, the statement says.

"The mission of the university extends beyond the physical confines of its main campus facilities and the delivery of its programs and resources to clients at other sites when needs can best be served within these locales," the statement adds.

SIUE has offered off-campus graduate programs in unique weekend formats at Military Airfield Command bases throughout the U. S. for several years, provides graduate instruction in business administration and government in Washington, D. C., and has just opened a cooperative center at Greenville (Ill.) College.

Through a common market approach to education, the university says it hopes SIUE resources can be expanded, particularly at the graduate level.

Last week, SIUE Board of Trustees approved plans for a cooperative doctoral program in computer science to be offered by SIUE and Washington University in St. Louis. The SIUE board also approved a cooperative certificate of specialist program in education to be offered by SIUE at Sangamon State University in Springfield.

Also anticipated is SIUE continuation of complementary programs of research and service which assist instructional programs in adapting to changing and expanded bodies of knowledge and evolving social needs.

At the School of Dental Medicine in Alton, the university said it hopes to be able to continue efforts to improve the health care capability in Central and Southern Illinois by increasing the number of dentists who practice in the area.

The dental school also hopes to offer advanced certificate programs in dental specialties, expand continuing education programs available to practicing dentists, provide additional community service programs, and offer degrees in health sciences at both the master and doctoral levels.

Position papers on community service, innovative educational delivery systems and qualitative improvements on existing higher education programs were presented by SIUE faculty members.

Proposal to Establish a Part-Time Night Law School at SIUE, John Paul Davis, General Counsel, SIUE.

"Southern Illinois University at Edwardsville believes that establishment of a part-time evening law school under its auspices would be a wise and important element of Master Plan Phase IV because—

"Illinois does not need a third public fulltime law school, such as is now being considered, since the development and quality of the two existing public law schools may be unnecessarily compromised by extensive fiscal commitments to a third fulltime law school.

"Illinois' need is not so much for more fulltime law schools as it is for greater access to part-time legal education by minorities and the economically disadvantaged."

A parttime law center at Edwardsville will require substantially less commitment of state funds, inasmuch as it could be undertaken on a cooperative basis with the two private law schools in St. Louis and with the law school at SIUC.

"Such a program would be an innovative approach to expanding public access to legal education while at the same time providing minority and economically disadvantaged metropolitan St. Louis residents their only access to the legal profession, a privilege which minority and economically disadvantaged persons enjoy in every other major metropolitan area corresponding to St. Louis, in age, size, and ethnic-racial diversity."

Community Service, Arthur Grist, director of the East St. Louis Center: "There should now be a set of guidelines developed by the state that are both broad and comprehensive. Principles should lend themselves to both regional and local initiatives and participation."

"For public service institutions to continue to operate in an ill-defined area in light of continued fiscal restraint only further politicizes the area of community service and continuing education."

Innovative Educational Delivery Systems, Orville Joyner, director of audiovisual services at SIUE: "Conditions which require change are further politicized the area of community service and continuing education."

"The 80 to 90 per cent budget commitment of universities to persons who precludes the possibility of serious innovative and developmental efforts undertaken with established allocations."

"Reliance on line budgeting precludes allocation or reallocation of sufficient money for development."

"Rewards for risks attached to innovative program development are frequently small and less reliable than those for maintenance of the status quo."

Innovative Educational Delivery Systems, Warren Joseph, assistant vice president for academic affairs: "Through its participation in such consortia as the Higher Education Coordinating Council of Greater St. Louis, SIUE will continue to advance the development of innovative and cooperative education."

"SIUE will interpret delivery systems in the broadest possible sense, in that delivery systems will include content, structure, methodology, evaluation, coordination, technical hardware and software support systems, scheduling, location, student population and, central to all these, cost of education to the student."

Qualitative Improvements on Existing Higher Education Programs, Dale S. Bailey, dean of the School of Humanities at SIUE:

"Take advantage of declining enrollments and be prepared to reduce teacher-student ratios, particularly in those courses and programs which are needed to bring the 'disadvantaged' up to college level ability."

"Adding ways must be found to reward teaching excellence and to restore the great teacher to his proper place as the true campus hero."

"Teaching workshops, self-instruction laboratories and developmental leaves are all devices which the state should support as an impetus to improved teaching."

Special Program Needs, Lionel K. Walford, chairman of the physics department: "The BHE has supported the development of a broad engineering program (at SIUE).

"We are continuing to develop options such as the bachelor of science in industrial engineering. Equipment needs for basic science programs are well above the authority equipment budgets available at present."

A new program in nutrition science has been proposed which is clearly of importance with increasing populations and decreasing world resources.

"If we are truly to improve the economic potential of our clientele, we must also be concerned with area job possibilities and the skills which local industries need from our graduates."

Institutional Mission and Goals, Rosemarie Archangel, representing the University Senate:

"Specification of academic areas and instructional levels of major concern is desirable; confinement to these areas is not. Specification of

geographical areas of major concern is desirable; confinement to these areas is not. Utilization of the institution's resources in the development and dissemination of problem-solving strategies is desirable; utilization of these resources in direct problem-solving on a routine basis is not.

"Each institution must be given adequate autonomy and encouragement, in the form of material as well as moral support, to take maximum advantage of opportunities which may make themselves available at the local level, and to render assistance in areas of emerging local need."

Miss Ellis attended Granite City High School and is the daughter of Mrs. Laura P. Ellis of Granite City.

More information about enlistment in the United States Air Force may be obtained from Sgt. Habbert, 1204 Niedringhaus Ave., phone 877-5225.

Deborah Sue Ellis joins Air Force

Deborah Sue Ellis of Granite City has enlisted as a member of the Women in the Air Force (WAF), according to Sergeant George Habbert, Granite City Air Force recruiter.

Following a six-week basic military training course at Lackland Air Force Base near San Antonio, Tex., Airman Ellis will enter the jet engine maintenance field. Her training at Lackland will encompass courses in professional grooming and makeup plus nearly 20 military and associated subjects.

Miss Ellis attended Granite City High School and is the daughter of Mrs. Laura P. Ellis of Granite City.

More information about enlistment in the United States Air Force may be obtained from Sgt. Habbert, 1204 Niedringhaus Ave., phone 877-5225.

Thurs., Sept. 19, 1974 Page 32

Status quo on state lottery pending further U. S. action

By LESTER BELL

Press-Record

Washington Bureau
Illinois Lottery Director Robert Batch has remained convinced after Atty. Gen. William Saxbe's conference that the state's operation is legal. He says it will continue and winners will be paid until there is an adverse ruling.

Even so, Batch said following the Justice Department's briefing for officials from the 13 lottery states, Illinois is prepared to modify its program to remain in compliance with any federal ruling.

Saxbe sent telegrams to the governors, warning them their lottery operations were in "apparent" violation of federal laws and inviting them and their directors to the briefing. "At the outset," Saxbe told them, "I want to assure you we have no aim or wish to put your lotteries out of business."

"I hope this meeting will lead to a solution, for it ill behooves any of us at this time—when government is viewed with so much cynicism—to violate the law or fail to enforce it," Saxbe told a news conference.

after the closed meeting that he hopes Congress will resolve the issue quickly with legislation exempting the state lotteries from federal law. He said he will seek "injunctive relief" in the federal courts meanwhile, but it will take at least 90 days to prepare the petition.

Saxbe is asking the affected states in the meantime to provide the Justice Department with briefs and opinions within 60 days.

Also at the news conference, Saxbe assured ticket buyers, lottery officials, banks and others that they "will be in no danger of prosecution" while the issue is pending before the courts and in Congress.

Saxbe contends that Congress could and should resolve the issue and he has urged the Senate and House chairmen to speed hearings on remedial legislation pending before them.

Batch, State Revenue Director Robert Althin and Althin's deputy and legal counsel, George T. Rummel, emerged from the briefing insisting again that the Illinois lottery does not violate federal law.

Senate Republican Leader Hugh Scott said later it is "essential" that Congress remove the legal threat hanging over the 13 states before it adjourns this year.

Scott, a Pennsylvania Republican seeking prompt relief for his state's lottery, called for immediate Senate hearings to halt the threatened closing of state lotteries.

Scott in a letter to Sen. John L. McClellan, D-Ark., chairman of the Subcommittee on Criminal Laws and Procedures of the Senate Judiciary Committee, said closing the Pennsylvania lottery even for a short time "would be extremely unfortunate."

Scott said he believes the hearings could be concluded in half a day.

The law section in dispute forbids mailing lottery information, interstate movement of equipment and participation by federally-chartered banks.

A Justice Department statement said some lottery states in their zeal for more revenue are mailing lottery advertising into non-lottery states.

"Our contention is that we are not using the mail for other than responding to normal correspondence addressed to our office," Batch said.

He said if the U.S. can conclude that such correspondence is illegal, then the federal agency itself breaks the law when it communicates with the

Illinois lottery office on lottery matters.

The lottery director did say, however, that Illinois mails out lottery checks, and a "very small percentage" goes out-of-state.

He emphasized that postal inspectors have ruled that this is legal as long as no promotional materials accompany the checks.

"The lottery is not mentioned on the checks, or the envelopes or the communication enclosed within it," he said. "We don't think this is illegal. It is just an obligation of the state."

Batch said the Illinois lottery will "continue in full force and effect" and winners will receive their prize money.

Asked how Illinois would react to an "unfavorable ruling," Batch said "Illinois will not necessarily suspend operations."

"We don't have to do it exactly in the manner we're doing it now. It can be modified and be in conformance and it certainly would be."

Batch said any modification would be directed toward keeping the lottery entirely an internal affair of the state. As long as it is strictly "intrastate" and does not involve "interstate" aspects, it would be outside the federal jurisdiction.

Batch contends that the Illinois operation is totally an intrastate activity and he emphasized this in a brief discussion with Asst. Atty. Gen. Henry E. Petersen.

Batch said Petersen asked him to "come down and see me and we'll go over it." No date was arranged for their meeting.

NEW TEACHERS RECEPTION hosted annually by the Granite City Trust & Savings Bank was attended by 135 persons, including school board members, school officials, new teachers and guests. Dr. John Rendleman, president of SIU at Edwardsville, was the speaker.

New teachers hosted by bank

The 12th annual New Teachers Reception was held in the lobby of the Granite City Trust and Savings Bank.

One hundred and thirty-five persons attended, including school board members, school officials and new teachers and guests. Acting as hosts were officers of the bank at a buffet dinner.

The invocation was given by the Rev. Ellis Dugger, president of the Tri-Cities Ministerial Alliance and Pastor of the Trinity United Methodist Church.

Ernest A. Karandjeff, president and toastmaster, introduced Bobby Jo Davis, school superintendent, who introduced his administrative staff and principals.

Donald Stucke, school board president, expressed the school board's thanks and welcomed the new teachers.

Dr. John Rendleman, president of SIU at Edwardsville, was the guest speaker. He spoke on the relationships between teachers and students required for a successful teaching program.

H. D. Karandjeff, board chairman, thanked the new teachers for joining the school district and extended the best wishes of the bank.

JAMES R. STEELMAN, 2812 Dale St., has been awarded a Suggestion Award Certificate by the Automated Logistics Management Systems Agency (ALMSA) in St. Louis.

ALMSA presently is designing a new standard ADP system to be used throughout the worldwide Army Materiel Command which will allow all installation computers to converse with each other in a common language.

Tower Lake open house

An "open house" is scheduled Sunday, Sept. 23, during "check-in day" at Tower Lake Apartments on the campus of Southern Illinois University at Edwardsville.

The public is invited to inspect the facilities in the new complex of student housing from 9 a.m. to 4 p.m.

Bill Hall, SIUE director of housing, said Apartment 2-B in Building 501 will be on display. Meanwhile, students will be checking into their apartments for the beginning of the fall quarter Sept. 23.

Hall said 96 living units in the new complex, providing housing for 400 students, will be available for occupancy at the beginning of the fall quarter. The new area is called Tower Lake II.

Seven additional buildings, containing 56 living units for 224 students, are scheduled to be ready for occupancy about Nov. 1. The remaining 96 units in the new complex should be completed early next year, Hall said.

The rental rate for the new complex is \$50 per student per month for a unit with four students. Rates are higher if the unit is occupied by two or three students.

The rate of the older complex for single students is \$45 per month. A two-bedroom un-

furnished apartment rents for \$125 per month. The complex has space for 400 single students and 148 families.

Tower Lake II is located on a rolling, wooded site north of the existing apartments.

LOCAL FAMILIES VISIT NASHVILLE

Mr. and Mrs. William Colp, 4401 Kirkpatrick, Hoxley, and Mr. and Mrs. Johnny Colp, 2508 St., returned home this week after visiting in Nashville, Tenn.

The group toured points of interest in the Nashville area and attended the Grand Ole Opry during their weekend trip.

On national Scout board

Veteran volunteer scout leader Henry D. Karandjeff has been elected a member-at-large of the National Council, Boy Scouts of America, it was announced by Robert W. Beneker, national president of the BSA.

Karandjeff is chairman of the board of both the Granite City Trust and Savings Bank and the American National Bank.

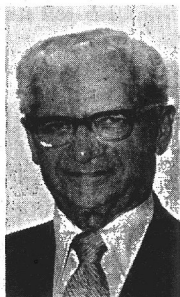

He began his adult volunteer scout work January 1928 as district commissioner for the then Granite City District.

Karandjeff was president of the local Cahokia Mound Council from January 1949 until January 1963, and currently is serving on the council executive board.

The Silver Beaver, highest award a local scout leader can receive, was presented to him in 1947.

Nationally there are more than 4.5 million boys active in the scouting program, with 1.5 million adult volunteers in the movement.

Less than 4,000 adult volun-

HENRY KARANDJEFF

teers may vote or serve on a regional or national committee.

Graduates in radar training

Airman First Class Michael A. Gaines, son of Mrs. Betty Gaines, 2805 Yale Drive, has graduated at Keesler AFB, Miss., from the U.S. Air Force radar repairman course conducted by the Air Training Command.

The airman, who was trained to operate and repair aircraft control and warning radar equipment, is being assigned to Nellis AFB, Nev., for duty with a unit of the Technical Air Command.

Airman Gaines, a 1971 graduate of Granite City High School, attended Belleville Junior College.

Dr. T. L. Barnett graduates at Logan

Dr. Thomas L. Barnett, son of Mr. and Mrs. Louis Barnett, 3304 Franklin Ave., graduated last week from the Logan College of Chiropractic, Normandy, Mo.

A graduate of Granite City High School, he attended Illinois State University at Normal and received his B.S. degree in Science from Texas A&M College, College Station, Tex.

Dr. Barnett plans to live in Miami, Fla., and will be associated with his cousin, Dr. Ronald L. Harris DCPA.

Jobs, investments lost by delaying airport—Hartigan

Illinois Lieutenant Governor Neil F. Hartigan said Monday that much further delay in choosing the site for a major new airport for this region would not only be detrimental to the metropolitan area's economy, but might completely jeopardize the possibility of ever getting an airport site that is feasible economically, environmentally and geographically.

Speaking to Impact (Illinois-Missouri Progressive Airport Creation Taskforce), a bi-state organization trying to achieve a solution for the problem, Hartigan complimented the group on "the spirit of cooperation that has motivated your efforts."

He asserted, "It is your im-

portant task to make clear to the people of both sides of the Mississippi that this is not a battle between Missouri and Illinois."

"Indeed, the future of the entire region is so inextricably linked that state distinctions are a luxury that cannot be afforded," Hartigan said.

"What this is," Hartigan emphasized, "is a battle for the survival of the St. Louis region and, even more so, a battle for further progress and improvement."

"Failure to create a rational, long-term, balanced transportation policy, which of necessity must include a major investment in an airport that can be utilized well into the 21st Century, would deprive this

region of its share of national growth," Hartigan said. "We have seen comparative progress by Dallas and Kansas City. We wish them success, but not at the expense of this region."

Hartigan cited a "key reason" for taking the quickest favorable action on the proposed Columbia-Waterloo, Ill., site:

"Continued delay is resulting in commercial pessimism about the future of the region's economic strength, causing a loss of investment, development and jobs."

"There can be no doubt that the Columbia-Waterloo site, having passed the favorable criteria of more than a dozen studies, is best for the entire

region. "It will balance the growth of both sides of the city of St. Louis, thereby preserving the center city of St. Louis and stabilizing growth of the region in a rational manner."

"Furthermore, it will assure an upbeat future for the region economically—a future of hope, promise and the fulfillment of all of our best expectations for what it should be," Hartigan concluded.

School boards will meet at North High

Area school board members and administrators will be at Granite City High School North, on Wednesday, Sept. 25, to take part in a semi-annual dinner meeting of the Southwestern Division, Illinois Association of School Boards.

Headquarters for computer cooperative

Southern Illinois University at Edwardsville will be headquarters for a new mid-Illinois computer cooperative formed by Eastern Illinois U., Illinois State U., Sangamon State U., Western Illinois U. and SIUE.

The SIUE Board of Trustees has approved an agreement to lease space on the SIUE campus to house the computer cooperative.

The cooperative, formally known as the Illinois Educational Consortium for Computer Services, has agreed to lease a Control Data Corp. Cyber 724 computer system to be located in a basement area of the Communications Building on the SIUE campus.

The cooperative is expected to provide computer technology on a shared basis at several public and private universities in central Illinois.

SIUE trustees agreed to spend up to \$95,000 to modify space in the Communications Building prior to installation of the leased equipment. Site preparation for the new computer system is to be completed by Dec. 1.

In return for the use of 1,000 square feet of space in the building, SIUE is to receive on a continuous and exclusive basis "an amount of terminal access on the CDC Cyber 724 computer system equal to 11 teletype terminal ports for a period of 36 months," according to the space lease contract.

The evening meeting consists of a dinner, a keynote address and six concurrent panel presentations.

Keynote speaker is John S. Kemp, state chairman, North Central Association of Colleges and Secondary Schools, Champaign.

The six panel topics are: board planning for the future, early prevention of childhood failures, girls' athletic programs, legislative action, student rights and the Occupational Safety and Health Act.

IASB is a voluntary service organization of about 1,000 Illinois school boards, with headquarters in Springfield.

The Southwestern Division includes the counties of Madison, Monroe, Randolph and St. Clair.

Host school board is the Granite City Board of Education—President Donald Stucke, George Moore Sr., Monroe Worthen, Harold Davis, Norman Hall, Carl Macios and Arthur L. Metcalf.

Moore will preside and Miss Barbara Kerch will speak at the panel on "What lies ahead in the girls' athletic program?" She is director of elementary physical education and girls' secondary school athletics in the Granite City school system.

Wednesday's schedule includes inspection of the year-old North High from 5 to 6 p.m., the dinner at 6 and panel discussions from 8:15 to 9:45.

Follies tickets available at park

Tickets are still available at the Granite City Park office for the Ice Follies 6 p.m. performance on Oct. 13, according to Harold Moore, superintendent of parties.

Cost of ticket for the performance and bus trip is \$6 for adults and \$4.25 for children and may be reserved by calling the park office at 877-3059.

Scottish Rite national meet

One of the nation's largest Masonic conventions will be held at Atlantic City, N.J., today through Sept. 26 as the Supreme Council of Scottish Rite Freemasonry for the Northern Masonic Jurisdiction conducts its 162nd yearly meeting.

A total attendance of 2,500 Thirty-third Degree Masons and wives is expected from the 15 Northeastern and Midwestern states making up the 513,000-member Northern Jurisdiction.

The 33rd Degree, highest honor of Scottish Rite Masonry, will be conferred Wednesday, Sept. 25, upon 206 members of the Fraternity coming from the participating states and selected by the Supreme Council because of "outstanding contributions to Freemasonry or for significant service to others reflecting credit on the Fraternity."

Justice Potter Stewart of the U.S. Supreme Court and a member of the Scottish Rite at Cincinnati heads the roster of 33rd Degree recipients this year. There are no Quakers in this year's list.

Executive and general sessions are scheduled throughout the week at the Haddon Hall Hotel, and Supreme Council members will hear reports by Sovereign Grand Commander George A. Newbury and Museum Director and Library complex.

The \$6,000,000 structure at Lexington, Mass., designed as a Museum of Our National Heritage and as a Masonic contribution to the country-wide bicentennial observance, is scheduled for dedication April 20, 1975.

Reports also will be made on the work of another major effort of Northern Jurisdiction Scottish Rite, its 40-year-old support of basic and coordinated research into the causes of schizophrenia.

The meeting will conclude Thursday morning, Sept. 26, with announcement of the names of those selected to receive the 33rd Degree in 1975.
